Dear Mr. President and Members:

ACTION REQUESTED OF THE BOARD OF ESTIMATES:

Authorization is requested from your Honorable Board to provide a stipend of \$2,000 to certain Automotive Mechanics in the Department of General Services, Fleet Management Division.

AMOUNT AND SOURCE OF MONEY:

Funds are available in budget account number: 2030-000000-1890-189300-603026

BACKGROUND AND EXPLANATION:

The Office of the Labor Commissioner has met with the Department of General Services, Fleet Management to discuss incentives for employees in the following Automotive Mechanic classes: Automotive Mechanics, Automotive Lead Mechanics, Automotive Maintenance Supervisors (I and II), Automotive Maintenance Workers, Fleet Quality Control Analysts, Hydraulic Mechanics, Motor Equipment Specification Supervisors, Operations Officers (V), Tire Maintenance Workers (I and II), and Welders. These employees who obtain, and as long as they retain a Commercial Driver's License (CDL), shall receive an annual stipend of \$2,000 to be paid by-weekly. By providing this stipend, management of Fleet Services would have less reliance on vendors to move its equipment. The employees, who obtain CDL's in the classes listed above, will receive the additional compensation for as long as the license is maintained.
