**MEMORANDUM OF UNDERSTANDING
BALTIMORE CITY POLICE DEPARTMENT and
BALTIMORE CITY LODGE NO. 3, FRATERNAL ORDER OF POLICE, UNIT II**

DECLARATION OF PRINCIPLE, POLICIES, AND PURPOSES

It is the intent and purpose of the Baltimore City Lodge No. 3, Fraternal Order of Police, Inc. ("Lodge") and the Baltimore City Police Department ("Employer" or "Department") to promote and improve the efficiency of the operations of the City of Baltimore and the Baltimore Police Department. In order to render the most efficient public service to the citizens of the City, the Lodge and Employer agree that this goal can best be achieved through an orderly, constructive and harmonious relationship between them. The parties hereto are in further accord that effective employee relations in the public service requires a clear statement of wages, hours and working conditions and of the respective rights and obligations of labor and management and requires a mechanism for the peaceful and equitable resolution of differences which may arise. For these purposes the parties enter into this Memorandum of Understanding ("Memorandum").

**ARTICLE 1
*RECOGNITION***

Pursuant to the provisions of the Municipal Employee Relations Ordinance, Article 1, Sections 119-137 of the Baltimore City Code (1983 Replacement Volume, as amended) and the Code of Public Local Laws of Baltimore City, Section 16-8A, the Employer recognizes Baltimore City Lodge No. 3, Fraternal Order of Police, Inc. as the sole and exclusive representative of Unit II, all Sergeants and Lieutenants in the Police Department, with the exception of those employees determined to be confidential by the Labor Commissioner in accordance with the Municipal Employees Relations Ordinance.

**ARTICLE 2
*CHECK-OFF***

The Employer agrees to deduct Lodge dues and service fees from the pay of any eligible employee whom it is certified to represent and who authorizes such deductions in writing pursuant to the provisions of the Municipal Employee Relations Ordinance. The Employer shall transmit all such monies withheld to the Lodge within fourteen (14) days of said deduction. The Employer agrees to supply the Lodge or its designee with a dues and service fee deduction computer printout on a quarterly basis throughout the term of this Memorandum. Said printout shall include each individual's name, address, workplace, annual salary, and amount deducted per pay period. Charges for deducting the cost of Lodge-sponsored programs, if any, shall be in accordance with city-wide policies currently in effect.

Such authorization shall be continued from year to year unless revoked in writing by the employee, thirty (30) days prior to the anniversary date of the authorization.

The Lodge shall indemnify and save the Employer harmless from any and all claims, grievances, actions, suits or other forms of liability or damages that arise out of or by reason of the disposition of the funds deducted under this Article as soon as they have been remitted by the City to the Lodge.

Pursuant to the Municipal Employee Relations Ordinance, no other employee organization, within the meaning of the first sentence of Section 120 (d) of the Ordinance, shall be entitled to check off dues and service fees.

ARTICLE 3

LODGE SECURITY

All eligible employees covered by this Memorandum of Understanding (a) who are employed after July 1, 1984 and elect not to join or remain members of the Lodge or (b) who were employed prior to July 1, 1984 and had previously executed membership or dues authorization cards as members of said Lodge, but hereinafter elect to terminate such membership and/or revoke said dues authorization cards, shall, as a condition of continued employment, pay a service fee to the Lodge in an amount not to exceed the then current Lodge dues in order to defray the costs incurred by the Lodge in the negotiation, administration and implementation of the terms of the Memorandum, and all modifications and amendments thereto, including related proceedings before an impasse panel or arbitrators, in the processing of grievances, and in any and all other proceedings and matters for which the Lodge is the employees' exclusive representative as a result of its certification.

ARTICLE 4

MANAGEMENT RIGHTS

Subject to the provisions of this Memorandum, the Employer shall have all of the rights set forth in Article 1, Section 123 of the Baltimore City Code (1983 Replacement Volume, as amended), Article II, Section 27 of the Baltimore City Charter (1996 Edition) and the Code of Public Local Laws of Baltimore City, Subtitle 16, Police Department, which provisions are incorporated herein by reference.

ARTICLE 5

NON-DISCRIMINATION

The provisions of this Memorandum shall be applied equally to all employees in the bargaining unit for which the Lodge is the certified representative without discrimination as to age, sex, marital status, race, creed, color, national origin, political

affiliation, disability as defined in the Americans With Disabilities Act (ADA), or sexual orientation.

ARTICLE 6

GRIEVANCE AND ARBITRATION PROCEDURE

A. Subject to any limitation of existing law, any grievance, defined in the Municipal Employee Relations Ordinance at Section 120 (f) as a dispute concerning the application or interpretation of the terms of this Memorandum of Understanding or a claimed violation, misrepresentation or misapplication of the rules or regulations of the Employer affecting the terms and conditions of employment, may be settled in the following manner:

STEP 1:

A grievance may be initially filed orally with the aggrieved employee's immediate supervisor within thirty (30) calendar days from the event or when the aggrieved employee should have reasonably known of the grievance. The designated Lodge Representative may represent the employee in presenting the grievance. The parties shall attempt to resolve the grievance informally. Consultation with second level supervision is permissible provided all parties agree.

STEP 2:

If not resolved at Step 1, the grievance shall be filed in writing with the District Section, or Unit Commander. (The "Sections" or "Units" referred to in this paragraph are the Police Commissioner's Staff, Divisions, and Sections, the Staff, Sections, and Units of the Deputy Commissioners, and the Sections within the Investigation and Intelligence Bureau, Neighborhood Patrol Bureau, Management Services Division, and Professional Standards and Accountability Bureau). The writing shall state generally the substance of the grievance and identify the aggrieved employee. The parties shall meet within seven (7) days of the filing of the grievance at this step to discuss its substance. The District or Unit Commander shall give his decision in writing within seven (7) working days after the aforesaid meeting.

STEP 3:

If not resolved at Step 2, the grievance may be presented to the relevant Division Chief (Neighborhood Patrol Bureau, Management Services Division, Investigation and Intelligence Bureau and Professional Standards and Accountability Bureau), who shall meet with the designated Lodge Representative and the aggrieved party within ten (10) working days after the

grievance has been denied, and shall give his answer in writing within ten (10) working days of this meeting.

Special Provision - STEP 3:

Within thirty (30) days of an alleged grievance, the Lodge is authorized to present said grievance at this step if the grievance affects a significant number of employees in more than one (1) District, Section, or Unit. Should this provision be used, the affected Division Chief will meet with the Lodge Representative(s) within ten (10) working days of the filing of said grievance and will provide, in writing, an answer within fourteen (14) days following the aforementioned meeting.

STEP 4:

If the grievance is not resolved at Step 3, the grievance may be presented to the Police Commissioner or designee who shall meet with the designated Lodge Representative(s) within ten (10) working days of the denial and shall give his response within fourteen (14) working days of the meeting.

STEP 5:

- a) If a grievance has not been satisfactorily resolved at Step 4, the Lodge may, within ten (10) working days of the completion of Step 4, initiate arbitration by written notice to the Police Commissioner and the Labor Commissioner of the Lodge's decision to arbitrate.
- b) Within five (5) working days after receipt of the notice, the parties shall attempt to agree upon an arbitrator. If such attempts fail, within ten (10) working days after receipt of a panel of seven (7) names obtained from the Federal Mediation and Conciliation Service upon the request of either party, the parties shall alternately strike names from that panel until one (1) name remains. That person shall be the arbitrator.
- c) Briefs shall be filed only if the arbitrator determines they are necessary.
- d) The arbitrator's decision shall be final and binding on all parties.
- e) The Employer cannot present a grievance to the arbitration step.
- f) The cost of any arbitration proceedings under this Memorandum shall be equally divided between the Department and the Lodge.

g) Saturdays, Sundays and legal holidays shall not be counted in computing time limits.

B. The Lodge shall be the exclusive representative in all grievance matters, except that an employee may represent himself as provided in Section 124 (c) of the Municipal Employee Relations Ordinance, and except that if a grievance has not been resolved in Step 1, an aggrieved employee may request, upon notice in writing within five (5) calendar days after conclusion of Step 1, that the grievance be submitted to the Personnel Service Board in accordance with the provisions of Section 16 of the Code of Public Laws of Baltimore City. If the employee makes such a request, he shall be deemed to have waived his right to have his grievance processed through Steps 2-4 hereof. Section 124 (c) of the Municipal Employee Relations Ordinance shall apply to any adjustment of an employee's grievance by the Department or the Personnel Service Board pursuant to this paragraph.

C. All grievances in writing shall be filed on a form developed jointly by both parties. The grieving party shall retain a copy of the grievance form submitted.

D. It is agreed that the arbitrator is not empowered to hear, reverse, remand, set aside or in any way modify a judgment in a disciplinary proceeding. Such judgment shall continue to be appealable only in accordance with the procedures set forth in the Law Enforcement Officers' Bill of Rights.

ARTICLE 7

LODGE REPRESENTATIVES

A. The Lodge may appoint representatives in the Department as follows:

- One (1) in each District of the Neighborhood Patrol Bureau
- One (1) in the Special Operations Section
- One (1) in the Investigations and Intelligence Bureau
- One (1) in the Professional Standards and Accountability Bureau
- One (1) in the Management Services Division
- One (1) Employee at Large

B. A written list of Lodge Representatives shall be furnished to the Department immediately after their designation and the Lodge shall notify the Department promptly of any change of such representatives.

C. After appropriate notice to his Commanding Officer, a Lodge Representative shall be granted reasonable time off during working hours with pay when he is engaged in processing (investigating and presenting) a grievance under Article 6 of this Memorandum, and where it will not interfere with the operations of the Department.

ARTICLE 8
VACATIONS, HOLIDAYS, DAYS OFF AND SPECIAL LEAVE

- A. Whenever employees in the bargaining unit are required to work on any day they are entitled to observe as a legal holiday as designated by departmental directive, they shall be granted a day in lieu thereof within sixty (60) days before or after such holiday, unless provisions of Article 8, Section H.3 apply.
- B. Effective January 1, 2015, employees shall receive thirteen (13) annual holidays. Maryland Day shall no longer be observed as an official holiday. Holidays, as distinguished from vacation days, shall be equal to an employee's shift.
- C. Holiday Leave is not subject to accrual or accumulation.
- D. The above provisions also apply to employees whose regularly scheduled H days coincide with designated holidays.
- E. Employees who work on the actual day for Thanksgiving, Christmas and/or New Year's shall be paid an additional four (4) hours compensation.

F. DEFINITIONS

Leave, for the purposes of this Article, is defined as:

1. Vacation Leave (V days)
2. Holiday Leave (P days)
3. Regular Scheduled Days Off (H days)
4. Compensatory Leave (C Hours)

G. REQUEST FOR LEAVE (Effective November 2019)¹

1. **Leave requested from November 1 to December 10 for the next calendar year.** Employees requesting leave for the next calendar year from November 1 to December 10 shall designate all Vacation (V Days), Holiday Leave (P Days), and accrued compensatory leave as of the request date to be taken. All leave requests shall not be unreasonably denied. Leave requests submitted between November 1 to December 10 as part of the calendar year leave request process shall be granted on the basis of seniority within rank. Any leave requests submitted pursuant to this Section which have not been approved or denied as of December 20

¹ For 2018 leave requests, prior to the modified language in Sections G.1 - G.3 herein taking effect, the provisions of the MOU for Fiscal Years 2017-2018 set forth in Sections H.1 - H.3 will continue to apply. Other references in this MOU to November/December dates in relation to leave requests shall apply only when the modified language in Sections G.1 - G.3 has taken effect.

shall be deemed approved. All H Days connected to leave submitted and approved pursuant to this Section shall receive the same protections from cancellation as said leave.

2. **Leave requested for a calendar year in which leave selections already have closed.** Employee requests for Vacation Leave, Holiday Leave, and accrued compensatory leave for a calendar year in which the bidding has already closed shall be granted on a first come, first served basis. Such leave shall be approved or denied by the member's immediate permanent ranked supervisor, or by the permanent ranked person filling that position during such supervisor's absence, within ten (10) days of submission. All leave requests shall not be unreasonably denied. Notwithstanding the foregoing, it is agreed that it is reasonable to deny leave if granting it would take the shift below the shift constant (the shift constant in effect will be publicized to affected employees). Any written requests for Vacation Leave, Holiday Leave, or accrued compensatory leave which have not been approved or denied within 10 days of the submission shall be deemed approved.
3. In those instances where a senior police officer puts in for vacation leave and subsequently withdraws same and then decides to resubmit a request for the same leave days on or before December 10, said leave shall be granted unless another police officer has already submitted a leave request for the same dates, regardless of the officer's seniority.

H. VACATION LEAVE (V DAYS)

1. Employees shall be granted the same number of vacation days as in the past and consistent with the schedule which is set forth in the Administrative Manual. The rate of vacation leave accrual is based upon the eligible employee's length of continuous service and is earned at a set rate for each completed month of service.

For reference purposes, the present vacation schedule is as follows:

| COMPLETED YRS OF CONTINUOUS SERVICE | VACATION EARNED PER MONTH | DAYS PER YEAR FULL-TIME EMPLOYEE |
|--|------------------------------|--|
| 0 through 5 | 1 | 12 |
| 6 through 10 | 1 ¼ | 15 |
| 11 through 13 | 1 ½ | 18 |
| 14 through 18 | 1 ¾ | 21 |
| 19 or more | 2 | 24 |

Employees shall be charged one vacation day when they take off a work day.

2. Employees' current vacation buckets will be allowed to go into the negative by one year's worth of vacation days. Employees may use such vacation consistent with usual scheduling practices. (If an employee leaves employment during the year and uses more vacation for the year than has been accrued, the employee will be required to reimburse the City for such used vacation.)

A. Vacation Leave, one or more days, scheduled and approved prior to December 10th shall be cancelled only in the event of an extreme emergency declared by the Police Commissioner or the Commissioner's designee or when otherwise directed by the Police Commissioner.

These criteria shall also be followed for any other type of leave (P and H days) which is obviously scheduled in conjunction with Vacation Leave.

B. Regardless of date scheduled and approved, a vacation leave period in a block of five (5) or more days for non-patrol employees (consisting of a minimum of three (3) Vacation days, not more than two (2) P days, and excluding H days used to achieve said block) shall be cancelled only in the event of an extreme emergency declared by the Police Commissioner or the Commissioner's designee or when otherwise directed by the Police Commissioner. This shall also apply to any H days taken in conjunction with the vacation period.

3. Regardless of date scheduled and approved, a vacation leave period in a block of four (4) or more days for patrol employees (consisting of a minimum of three (3) Vacation days, not more than one (1) P day, and excluding H days used to achieve said block) shall be cancelled only in the event of an extreme emergency declared by the Police Commissioner or the Commissioner's designee or when otherwise directed by the Police Commissioner. This shall also apply to any H days taken in conjunction with the vacation period.

4. It is not the intent of Section H.2 to preclude a member from making a vacation period using more than two (2) P days. However, this type of vacation period would not receive the same protection against cancellation as that described in Section G.3.

5. The Vacation Leave accumulation bank for bargaining unit employees is one hundred ninety-two (192) days including any previously accrued K days through June 30, 2000. Notwithstanding any provision to the contrary, under no circumstances shall any days be accrued beyond 192 for any reason after December 31st of any calendar year.

6. Effective January 1, 2015, vacation leave accumulation for all current employees shall be capped at one hundred twenty-five (125) days. Employees who have already accrued 192 vacation leave days or a number between 125 and 191 of

accumulated vacation leave days as of January 1, 2015 shall maintain those days. Employees hired after January 1, 2015 may accumulate up to 45 vacation leave days.

I. HOLIDAY LEAVE (P DAYS)

1. Holiday Leave (P days) submitted and approved and not meeting the criteria set forth in Section H.2 – H.3 may be cancelled only for operational reasons after the employee has been given a minimum of fourteen (14) days notice.
2. Notice of cancellation given less than fourteen (14) days shall entitle the employee to an additional four (4) hours compensation at his or her regular rate of pay. In addition, the employee shall receive the day back.
3. If a Holiday Leave day (P day) is cancelled, the employee shall be permitted to utilize this day within the remaining time period, as set forth in Article 8, Section A, or within sixty (60) days, whichever period is greater.
4. In the event two (2) or more employees have scheduled and approved Holiday Leave on the same day and it becomes necessary to cancel said leave, the last requested leave shall be the first cancelled, unless the employees agree otherwise.
5. When Holiday Leave cannot, for operational reasons, be granted within the specified period, the District/Unit Commander may, at his discretion, approve either an exception to the time restriction or authorize payment for the holiday at the employee's specified overtime rate.

J. SCHEDULED DAYS OFF (H DAYS)

1. Cancellation and Rescinded Cancellation of H Days

- a. If an employee receives notice of the cancellation of their H Day, which is not being taken in conjunction with approved leave, as provided in Section G.1 and H.3 of this Article, the employee shall receive four (4) hours of pay (hereinafter "penalty pay"). The penalty shall apply even if the cancellation of the H Day is rescinded by the Department. If the cancellation is rescinded, and the employee is not compelled to work, the relief for the rescinded cancellation is limited to the penalty pay.
- b. If the employee is compelled to work on their H Day due to a cancellation, in addition to the penalty pay, the employee shall be entitled to reschedule the substitute day off within the same work period as the originally scheduled H Day, subject to manpower constraints, as follows. If the employee can reschedule the

substituted day off on the same day of the week as the cancelled H Day, he/she shall take that day off. If the employee is unable to reschedule the substituted day off on the same day of the week within the same work period, the employee shall have the option either of taking the substituted day off or receiving pay for the cancelled day at his/her regular rate of pay for the H Day that was forfeited in addition to the penalty pay discussed above.

- c. In order to avoid cancellation of H Days for all employees, the Department may cancel H Days only for certain members or classes of employees.

2. An employee retains the option to request a change in his or her regularly scheduled H days within the twenty-eight (28) day work period. His or her immediate supervisor may grant the request. In that circumstance, the above provisions of this Section shall not apply.

3. Regardless of the foregoing Section 1, the Employer shall have the right to designate five (5) days for each subsequent calendar year on which all H days will be considered cancelled. For 2019, this designation will take place on or after February 21 (immediately following the close of the February 20 vacation period), and for 2020 and thereafter, it will take place on or after December 21 (immediately following the close of the December 20 vacation period). Employees working on such H days will be paid time and one-half for working such days but shall have no right to take the day off. The only exception to this provision shall be for those employees who have scheduled vacation days (and any H days in conjunction with that vacation) during the annual scheduling period, who shall not have their vacation or H days cancelled on the days designated in this Section 3.

K. SCHEDULED DAYS CHANGED OR CANCELLED

An employee's scheduled days off or approved leave shall not be changed or cancelled solely for the purpose of avoiding the payment of overtime, over the objection of the employee. This provision shall not apply if such day is cancelled for operational reasons.

L. TRANSFERS, REASSIGNMENTS, PROMOTIONS

Changes or cancellation of leave as covered in Sections G, H and I shall not apply in cases of voluntary transfers, voluntary reassignments, promotions or disciplinary actions. Sections G, H and I of this Article cover involuntary transfers and involuntary reassignments. In cases of promotions only, Section G.1 dealing with vacation leave which has been scheduled and approved prior to December 10th, shall apply.

M. LEAVE ORDER OF PRIORITY

When it becomes necessary, for operational reasons, to cancel previously scheduled and/or approved leave, the following order of priority for cancellation shall be adhered to:

1. C Day – Compensatory Leave
2. P Day – Holiday Leave
3. V Day – Vacation Leave
4. H Day – Regular Scheduled Day Off

N. BEREAVEMENT LEAVE

An employee shall be granted four (4) consecutive work days of leave of absence with pay for the death of a member of the employee's immediate family. The immediate family includes: Mother, Father, Sister, Brother, Spouse, registered domestic partner (as defined by the Baltimore City Code, provided the name of the domestic partner is filed on record with the Baltimore City Department of Personnel in advance), Child, Grandparent, Grandchild, Mother-in-law, Father-in-law, step or half-blood relatives, or any relative residing in the same household as the employee. These four (4) days of leave will be granted beginning either on the day of death or the work day immediately following the day of death, at the employee's request. In the event that funeral arrangements are delayed because of out-of-town travel or other extenuating circumstances, the four (4) consecutive work-day requirement shall be waived. The employee shall also be granted four (4) consecutive work days of leave of absence with pay in the event of a stillborn birth.

One (1) day's leave of absence will be authorized for the death of the employee's Aunt, Uncle, or Great Grandparent. This one (1) day leave of absence must be taken within four (4) calendar days of the date of death.

O. CHILD CARE LEAVE

Employees in the Unit shall be eligible for leave under the Family and Medical Leave Act ("FMLA") for birth of an employee's child. The employee shall be permitted to use any accrued vacation or personal leave days, banked days, P days, VMI days, compensatory time and five (5) accrued sick leave days up to a maximum of twelve (12) weeks of FMLA leave. Time off granted in accordance with this provision will be considered leave days pursuant to the Agency's FMLA policy. This leave shall be granted unless the Police Commissioner shall declare a public emergency requiring the cancellation of all leave throughout the agency for a stated period of time after which the affected employee(s) shall be returned to paid leave as described herein.

P. DONATION LEAVE

Subject to approval by the employee's Commanding Officer, an employee with banked vacation days may transfer up to two (2) vacation days per calendar year to another Unit employee (donee) who is experiencing a personal hardship, providing the following conditions are met:

1. The donee has exhausted all of his/her accrued leave including Vacation, Personal Leave, K-Days (while applicable) and Medical Incentive Days.
2. The transfer of vacation days pursuant to this program are strictly donations. Vacation days may not be transferred in exchange for cash or other remuneration.
3. The donee must be experiencing a hardship for which the transfer of days provides relief.
4. All days transferred pursuant to this provision are irrevocable transfers.
5. A donee may receive no more than 30 transferred days in any one calendar year.
6. Use of donated days by members on suspension or termination is not authorized.

Notwithstanding the above provisions, the Police Commissioner will exercise sole authority as to the continuance of this program and may terminate this program upon 30 days written notice to the bargaining unit and any affected personnel.

Q. Payment for Unused Leave

Upon resignation, termination of employment or retirement from the Department, employees shall be paid in full for any accumulated vacation and personal leave at their regular rate of pay.

R. Medical Leave Bank

The Fraternal Order of Police (FOP) Medical Leave Bank hereinafter referred to as "the Bank" will continue in effect. Membership in the Bank will be voluntary for all employees hired after June 25, 1997. All new employees who request membership in the bank will be assessed one (1) day of medical leave for deposit in the Bank.

An employee in the bargaining unit may receive a grant from the Bank only after:

1. Filing an application with the Medical Leave Bank Committee.
2. Submitting satisfactory medical evidence of the illness or injury.
3. Submitting evidence of having exhausted all accumulated leave.

The Board of Directors of the Bank shall be composed of two (2) representatives of the FOP appointed by the FOP President and two (2) representatives of the Employer appointed by the Police Commissioner.

New employees must join the Bank within the first thirty (30) days after completion of their entrance level training or lose their right to join until the next contribution period.

Employees may relinquish their membership in the Bank at any time; if they do so, however, they will lose their contribution in the Bank and will not be allowed to join again until the next contribution period.

All contributions will remain in force and cannot be returned even upon cancellation of membership.

Unused medical leave days in the bank at the end of the year shall be carried over to the next year.

On or before April 1, 2012, the Labor Commissioner will convene a labor-management committee to establish an audit system which will keep accurate records of the number of days in the leave bank and to otherwise monitor activities of the medical leave bank. For a detailed description of the Bank please refer to the brochure entitled "Baltimore City FOP Medical Leave Bank".

ARTICLE 9

SAFETY

A. The Employer and the Lodge will cooperate in the enforcement of safety. Any concerns or suggestions regarding safety may be directed to the Joint Labor-Management Liaison Committee.

B. The Employer shall replace any bullet proof vest issued to an employee in the Unit immediately upon its mandatory replacement date as determined by the manufacturer of the vest. Additionally, all radio batteries shall be replaced immediately upon the expiration date as specified by the manufacturer of the battery and/or the battery is determined to be defective by a Departmental Supervisor of any rank.

ARTICLE 10
HEALTH AND WELFARE

A. The parties recognize, and agree to, the Third Health And Prescription Drug Plan Agreement, as approved by the Board of Estimates on June 27, 2018, which is attached hereto in Addendum A, along with the accompanying exhibits, and which shall remain in effect as provided therein. The parties recognize that the Third Health And Prescription Drug Plan Agreement shall need to be amended and modified through bargaining conducted among all participating unions during the term of this Agreement. While remaining in negotiation, and prior to impasse, the terms of the Transition Agreement shall remain in effect, with the intent that all terms of the Transition Agreement shall continue to operate.

B. Effective January 1, 2008, the Employer reserves the right to adjust the percentage of the retiree's contribution for those employees who retire with less than twenty (20) years of service on or after January 1, 2008. This provision shall not apply to any employee who receives disability retirement benefit.

C. During the term of this Memorandum, the Department will continue in effect the stress management program providing services related thereto at no or nominal cost for employees and family members affected by the employees' job-related stress problems; except that if the provider contract is put up for bids, the bid specifications will be subject to the approval of both the Lodge and the Department prior to their submission to the Bureau of Purchases or Board of Estimates. In the event the Lodge or the Department is dissatisfied with the selection of the provider or the content of the specifications promulgated by the Board of Estimates, the Lodge and the Department shall jointly appeal to the Board of Estimates.

D. The waiver form will continue to limit the waiver disclosure of the doctor's opinion and such facts as shall, in his professional judgment, be necessary to comport with professional standards while protecting the patient's privacy.

E. The face value of the death benefit for active employees shall be equivalent to the employee's annual salary at time of death. The retiree death benefit is \$7,000.00.

F. WAIVER OF GENERIC DRUG REQUIREMENT

The Employer agrees to provide the Lodge with copies of the proposed bidding specifications for the City's prescription drug program providers for the Lodge's review and comment. The parties will meet and confer with a view to reaching an agreement over a workable provision that would enable participants to obtain proprietary drugs under the program, when expressly prescribed by the treating physician as medically necessary.

G. SECTION 125 PLAN

The Employer will continue to administer the Section 125 Plan whereby the employees' contributions to health care, vision, and prescription programs would be excluded from Federal and State taxes.

H. The Employer shall remit an annual payment of \$650 (to be paid bi-weekly) to each employee who, with satisfactory proof of alternative health insurance coverage received in another plan, elects not to take any coverage under a City Health Care Plan. If, after waiving coverage under any City Health Care Plan, the employee loses coverage due to the death of a spouse or other person who is a source of coverage, divorce, loss of employment or deletion of benefits (or such other qualifying event as determined by the Employee Benefits Division), the employee may enroll in a City Health Care Plan and consequently relinquish the waiver payment. At the inception of the new schedule, and when a new schedule is adopted, employees in the Neighborhood Patrol Bureau will have the ability to sign up for their shift (*e.g.*, permanent rotating shifts or the midnight shift) and their leave group. The choice of shift and leave group will be based on seniority of officers.
7. The number of officers assigned to each shift shall be at the sole discretion of the Baltimore City Police Department, through the authority of the Police Commissioner.
8. Notwithstanding the inclusion of the new schedule and leave groups in this MOU and Addendum J, the Police Commissioner shall have the right to modify or change the patrol schedule and/or the start and stop times of the shifts based on community and departmental interests; provided, however, that the new schedule adopted pursuant to this MOU shall remain in effect through the balance of the MOU (*i.e.* June 30, 2022), and provided further that any modified schedule must remain in effect for a period of no less than twenty-four (24) months. Any changes to the patrol schedule shall occur on or about January 1, to coincide with the first 28-day period after the new year. 1. All days and hours of paid leave shall be treated as days and hours worked.

In the event that the Department shall find it necessary to mandate that a Unit employee work in an overtime capacity that is not contiguous with an employee's regularly scheduled shift, the Department shall make every effort to solicit volunteers from within the employee's unit of assignment to work mandated overtime assignments.

In the event that the Department shall levy a suspension without pay of sufficient duration to require the employee to pay for continuance of his/her Employer's sponsored health benefits, the Department agrees to pay its proportionate share of the cost of health benefits on behalf of the suspended employee for the pay period(s) so affected.

There shall be established within the Department a Joint Labor-Management Liaison Committee consisting of up to four (4) representatives of the Department appointed by the Police Commissioner and up to two (2) representatives from Unit I and up to two (2) representatives from Unit II. The Committee shall meet not less than quarterly except upon the majority consent of the Committee. It shall consider, evaluate, and, if in agreement, shall make recommendations to and/or advise the Police Commissioner and/or his designee with respect to specific matters bearing upon the economy, efficiency, or other improvement in Departmental operations and/or upon the welfare of its employees whether or not such matters are negotiable. Lodge Representatives shall be deemed to be in duty status while attending such meetings.

ARTICLE 21
BULLETIN BOARDS AND COMMUNICATIONS

A. The Department agrees to provide reasonable bulletin board space labeled with the FOP logo and name within each District and Division for the purpose of allowing the Lodge to inform its membership of Lodge business and activities. All such notices shall be signed by the Lodge President and/or Lodge Secretary. No scurrilous or defamatory material shall be posted. Any materials posted in violation of this Section shall be removed by the Department. The space so designated shall be maintained in an orderly manner, to include periodic removal of outdated material.

The Department will permit the Lodge to use the Departmental mail system for non-bulk communication to select members. All mail must be directed by name and assignment and will not exceed fifteen percent (15%) of the membership of the Lodge at any one (1) mailing.

B. The Department shall permit a designated representative of the Lodge to address recruit classes for two (2) consecutive class periods of not less than forty-five (45) minutes each. During the term of this Memorandum a representative of the Lodge, designated by the President, will be allowed one-half of an hour to address each in-service training group. Upon prior notification to the Lodge President, the Police Commissioner reserves the right to revoke this arrangement.

ARTICLE 22
ADMINISTRATIVE LEAVE FOR LODGE REPRESENTATIVES

A. During the term of this Memorandum, the President of Baltimore City Lodge No. 3, Fraternal Order of Police, Inc., shall be granted a full-time leave of absence from his duties for the Police Department, mandated in-service training excepted, but shall remain on the payroll of the Police Department for the purpose of performing full-time duties on behalf of the Lodge. During such leave, the President shall continue to accumulate seniority and shall receive all benefits as if he were fully on duty including, but not limited to, pension accruals and fringe benefits.

B. A paid leave bank of 300 days per year shall be created for employees of the Lodge to use to attend scheduled conferences, seminars, Board and Committee meetings and conventions. The bank may be used interchangeably with Unit I. Each use shall be requested in advance by the President of the Lodge (or his designee) in writing, specifying the person or persons using such leave, the hours requested, and the purpose for the leave. The request shall be granted, subject to the needs of the Department. Each Unit employee permitted to be absent pursuant to this provision shall be responsible for giving his supervisor advance notice of absence from work for Lodge business.

C. The President of the Lodge and two (2) persons designated by him shall be permitted to visit Police Districts, Units, and other work locations in connection with grievance matters. Visits shall be preceded by reasonable notice.

D. The Department shall permit use of its Police Districts and other designated work locations for the purpose of conducting election voting, which shall be conducted without interference with regular business operations.

E. The Department shall provide the Lodge with a roster of all new sworn employees and their addresses.

ARTICLE 23
NO STRIKE, SECONDARY BOYCOTT OR LOCKOUT

A. The Lodge agrees that during the term of this Memorandum it shall not engage in, initiate, sponsor, support, or direct a strike or secondary boycott or directly or indirectly picket the Employer or any of its property in furtherance of a strike. The Employer agrees that there shall be no lockout during the term of this Memorandum.

B. If the Lodge shall violate any of the provisions hereof:

1. Its designation as exclusive representative may be revoked by the Department;

2. It may be ineligible to participate in elections or to be certified as exclusive representative for a period of two (2) years thereafter; and

3. The Department may refrain from making payroll deductions for such organization's dues for a period of two (2) years thereafter.

C. Nothing in this Memorandum shall deprive the Employer of remedies available to it under applicable law in the event of a strike.

ARTICLE 24
WORKING CONDITIONS

A. VACATION REQUESTS

Special vacation requests that deviate from current policy shall be considered.

B. WORK OUT-OF-TITLE

1. Employees shall not be assigned to perform painting or maintenance of buildings and grounds, except upon mutual agreement.

If a bargaining unit employee is directed temporarily to assume the responsibilities and privileges of a higher rank or if designated and fulfilling the duties of Field Training Officer he or she shall receive additional compensation. If so designated as acting out-of-title at the start of the employee's tour of duty, the employee shall be paid out-of-title for the entire day unless the employee fails to complete the tour of duty for circumstances beyond the control of the Department. No two employees may work out-of-title in the same position. The out-of-title compensation shall be \$14.00 per day. Field Training Officer compensation shall be \$40.00 per day.

C. LOST OR STOLEN PROPERTY

If an employee has reimbursed the Department and the lost property is subsequently recovered without damage, the Department will refund the reimbursement.

D. FOOTWEAR

Employees in the unit may wear military-style black leather boots that retain a shine, except when the Class A uniform is worn on formal occasions.

E. "DETECTIVE" TITLE

The title "Detective" shall be restored to employees in the Applicant Investigation Unit of the Personnel Division.

F. DETAILS

1. In the event that an employee is detailed to another position, that employee's vacated position will not be permanently filled by another employee. Upon the expiration of the detail, the detailed employee will be returned to his/her former position.

2. Any employee who is involuntarily detailed outside of his/her assignment for more than thirty (30) days shall have the opportunity to challenge the detail to the Deputy Commissioner of his/her corresponding bureau.

G. BODY ART

Employees in the bargaining unit who are engaged in any assignment that requires the employee to wear summer Departmental uniform, i.e. short sleeve shirt, who display any visible body art, except for body art that shall be located on the

employee's face, shall be supplied at the Department's sole expense with a sufficient number of long sleeve tropical shirts and/or cosmetic make-up to cover the displayed body art. Employees who must wear the long sleeve tropical shirts as described herein shall NOT be required to wear a neck tie while wearing the long sleeve tropical shirt.

H. LEAVE GROUPS

All employees in the bargaining unit who are reassigned within their patrol sector or assignment for operational reasons by the Department which results in a change to their leave group affecting their scheduled "H" days shall be treated as follows:

1. Employees shall be involuntarily reassigned to a new leave group in reverse seniority order (i.e. the least senior to be involuntarily reassigned first).
2. Employees who voluntarily request reassignment to a new leave group shall be reassigned on the basis of seniority (i.e. the most senior employee shall be voluntarily reassigned first). Seniority means total length service in grade. In the event that two or more employees of a patrol sector or other unit have equal seniority, the tie(s) shall be broken on the basis of their last written performance evaluation, i.e. the most favorable evaluation shall serve as the tie breaker.

I. The FOP shall be afforded the opportunity to provide meaningful input to the process of evaluating boundaries for possible current post, sector and district realignment.

ARTICLE 25 PROMOTIONS AND TRANSFERS

A. PROMOTIONS

1. There will be at least sixty (60) days' notice in advance of written examinations for promotions. All relevant study materials for promotional examinations shall be made available to Employee at least sixty (60) days prior to the written examination.
2. When a funded vacancy involving promotion occurs in the bargaining unit, the Commissioner shall have forty-five (45) calendar days following the date of the vacancy to fill the position.

B. TRANSFERS

1. The Department agrees to post notice for a period of five (5) consecutive days on appropriate bulletin boards and Departmental E-mail systems of all vacancies that it intends to fill by permanent transfer to any position other than

patrol and the Commissioner's Office. Assignments within any Bureau, Division, Section or Unit will continue to rest with Command. Notice of the posting will be given at roll call. Members may submit written requests for consideration of the posted vacancy. Every member who is eligible for consideration will be interviewed by the appropriate Command. When the vacancy is filled, applicants shall be notified as to whether they received the position. Requests which were submitted and Interviews conducted shall remain active for sixty (60) days for any vacancies which may arise. The Department shall also consider new requests for consideration which may be filed for subsequent vacancies. The current system to accept District-to-District transfer will continue, but requests will have a one (1) year life and therefore must be renewed on a yearly basis. Seniority, meaning length of service in rank, shall be considered. The foregoing shall not apply to transfers of persons determined by the Police Medical Director to be permanently unable to perform all the duties of a Police Officer, Police Agent, Flight Officer, Sergeant, or Lieutenant due to disabling conditions but who are capable of performing the essential functions of a full duty administrative position as determined by the Police Medical Director. Any member selected in accordance with the procedure as set forth herein to fill a posted vacancy shall be permanently assigned to that vacancy immediately upon his/her selection and may not be detailed to that vacancy.

C. INVOLUNTARY TRANSFERS

An involuntary transfer occurs when the Department permanently transfers an employee (as distinguished from a detail) to another assignment and the member objects to the transfer. Such transfers must be made for legitimate business or operational reasons, including but not limited to staffing needs and performance, and if done so, shall be sufficient reason for the transfer. Employees who wish to contest such a transfer may file a grievance under Article 6. Should such a grievance go to arbitration, the Employer shall be required to articulate the legitimate business or operational reason for the transfer.

ARTICLE 26 PROPERTY REIMBURSEMENT

A. If an employee's contact lens(es) is lost or damaged as a direct consequence of the performance of law enforcement duties, he or she will receive a voucher for a replacement lens(es) at a provider arranged for by the Department which can replace the lost or damaged lens(es). This replacement will be available only once per employee during each year(s) of this Memorandum.

ARTICLE 27

MEDICAL LEAVE POLICY

PART I

A. POLICY

A. Effective June 25, 1997, new employees of the Police Department shall accrue medical leave at the rate of one (1) day for each month of completed service. Employees must be in pay status at any time during the payroll period in which their anniversary date occurs in order to accrue medical leave. Accrued medical leave may be used for non-line-of-duty illnesses or injuries. Employees hired after June 25, 1997, shall be included in the same medical leave program and policy for line-of-duty illnesses or injuries as those employees hired prior to June 25, 1997. Employees who accrue medical leave at the rate of one (1) day for each month of completed service shall be permitted to utilize any accrued medical leave in accordance with the Family and Medical Leave Act. Employees hired before June 25, 1997, shall continue to use medical leave on an as needed basis.

B. In the event that an employee shall suffer a line-of-duty injury or illness, said employee shall remain in paid status without being charged medical leave until such time as a decision is made by the Department's designee as to whether or not the injury or illness shall be classified as line-of-duty or non-line-of-duty. The employee shall be paid an amount equal to sixty-six and two-thirds percent (66 2/3) of his/her

regular pay which may be excluded from federal adjusted gross income and therefore is not subject to either federal or state income tax (standard Workers Compensation benefit). In addition, the Employer shall provide a supplement to the standard Worker's Compensation benefit so that the gross pay of Employee is equal to eighty-five percent (85%) of the member's regular gross pay. If it is determined that the injury is non-line-of-duty and the employee has been paid for days in excess of his accrued leave days, he shall repay or be docked for such pay. A member may repay any amount owed by using medical leave, vacation or P days or by having his pay docked; provided, however, that in no instance shall the Department dock an employee more than 25% of any paycheck.

PART II NOTIFICATION REQUIREMENTS

A. Any employee who is unable to report to work because of medical leave must contact his or her Unit of assignment not later than one (1) hour prior to the scheduled tour of duty unless exigent circumstances exist.

B. An employee on medical leave will be required to notify his or her Unit of assignment no less often than weekly for Medical Leave usage spanning more than one week, and whenever the employee's expected return to work date changes.

C. When an employee is home and on medical leave, the employee must notify his or her Unit of assignment when leaving home and upon return. An employee is to remain at home, except to go to a medical facility, pharmacy, polling place, place of worship, or retail outlet which sells primarily food, or in the event of exigent circumstances. Employees may not leave home for any other reason, except with the approval of their personal physician, their Commanding Officer/designee or the Medical Section. The basis for the preceding is to allow employees who are unable to work because of illness or injury to leave their home for personal needs which are basic. Abuse of this procedure constitutes a violation of this Policy and is subject to disciplinary action. In the event an employee receives approval from the Medical Director for unrestricted medical leave at home, the notification of his or her Unit of assignment when leaving and returning home shall be waived. There shall be no home visits between the hours of 10:30 p.m. and 6:00 a.m.

PART III MEDICAL CERTIFICATION REQUIREMENTS

A. An employee shall submit a Medical Leave Certification for all absences of three (3) or more consecutive days upon the earlier of their return to work or the fifth (5th) consecutive calendar day of absence.

B. Medical Leave Certification must contain the following information:

1. Date and time of treatment;
2. Address, phone number, office email address, and medical specialty of health care provider;
3. Date and signature of health care provider;
4. Medical facts to support the absence, such as a statement that the employee is absent due to a personal injury or illness; and
5. Expected date of return to duty.

C. To the extent such Medical Leave also qualifies as leave under the Maryland Healthy Working Families Act, the Certification also will contain verification that the leave was used for qualifying circumstances under that law.

D. In the case of Medical Leave usage that also may qualify as Family and Medical Leave (FMLA), an FMLA medical certification, if submitted within the time frame above, will qualify as Medical Leave Certification. The employee, however, has the option to submit a separate FMLA medical certification within the time frame required under the FMLA (*i.e.*, 15 calendar days), in which case a timely Medical Leave Certification in accordance with this policy is still required.

E. All medical certifications (Medical Leave and FMLA) will be submitted to the Department Medical Section or its designee. Medical certifications may be submitted electronically or in hard copy to meet the submission deadline above; provided, however, that the original hard copy must be submitted no later than the date on which the employee returns to work, or earlier upon request of the Department, provided the employee is medically able to comply with this request (and, if not, as soon as practicable when medically able).

F. Any employee who is on medical leave shall not be required to report to any medical facility for the purpose of determining that employee's fitness for duty between the hours of 7:00 p.m. and 7:00 a.m. This provision shall not apply to employees in the medical abuse program.

PART IV MEDICAL LEAVE ABUSE CONTROL PROGRAM

A. Any employee who in a twelve (12) month period utilizes a total of eight (8) uncertified medical days, or who reports on medical leave on four (4) separate uncertified occasions, or who utilizes fifteen (15) or more medical days regardless of

certification, may be placed in the Medical Leave Abuse Control Program, hereafter known as "the Program," by his or her Commanding Officer after consultation with the Medical Section.

Nothing in this Policy shall be construed to prevent the Police Commissioner from taking formal disciplinary action for violation of the policies of the Department. First consideration, however, should be given to the application of the Program.

B. An uncertified medical day or occasion is the use of medical leave, regardless of duration, for which no doctor's certificate (as outlined in Part II, Section B) is submitted to the employee's immediate supervisor.

C. In addition, an employee who uses medical leave in a manner described below may be placed in the Program:

1. Uncertified usage before or after regular days off (three (3) occasions);
2. Uncertified usage on any specific tour of duty in the case of those employees who rotate shifts (three (3) occasions);
3. Uncertified usage on a specific day of the week (three (3) occasions); or
4. Usage of medical leave after being denied other leave (two (2) occasions).

D. Commanding Officers will retain the discretionary authority to exempt employees meeting the above criteria, based on mitigating factors. Command will consult the Medical Section prior to placing any member in the Program.

E. Both the Department and the Lodge recognize that by its very nature police work carries with it the risk of severe injury. For this reason, any employee who sustains a significant injury in the performance of his or her duties during the twelve (12) month period will be exempted for that period in all cases where his or her medical record would not otherwise justify inclusion in the Program.

1. The exemption stated above will expire upon the earlier of:
 - a) The passage of twelve (12) months from the date of injury; or
 - b) The employee reaching maximum benefit of medical treatment for this injury as determined by his or her treating physician and/or the Medical Director.
2. The Medical Director shall make the determination in these matters.

F. An employee shall remain in the Medical Leave Abuse Control Program for one (1) year from the date of being so designated. Continued absenteeism for medical reasons may subject the employee to an extension in the Program and/or may constitute just cause for disciplinary action.

G. Upon placement or extension in the Program, the employee shall be notified in writing by his or her Commanding Officer within five (5) working days. This written notification shall also include the date the member is scheduled to return to normal status.

H. An employee placed in the Program may appeal through the established grievance procedure. For the purposes of this Program, in Step 4 of the grievance procedure, the Director of the Personnel Division shall be the Police Commissioner's designee.

I. When an employee who has been placed in the Program is home on medical leave, the employee must notify his or her Unit of assignment when leaving home and upon return. An employee is to remain at home except to go to a medical facility, pharmacy, polling place, place of worship, or retail outlet which sells primarily food, or in the event of exigent circumstances. Employees may not leave home for any other reason, except with the approval of their Commanding Officer/designee. Should the employee be refused permission to leave home and should the employee feel that there is a medical necessity for this request, said employee may appeal the denial to the Medical Director.

J. Any employee who utilizes less than eight (8) medical days and less than four (4) separate occasions during the one (1) year period as designated will automatically return to normal status.

Commanding Officers will retain the discretionary authority to return an employee to normal status who exceeds the above guidelines in a case where he or she suffers a clear-cut, bona fide, line-of-duty injury during the time frame in question.

K. The Lodge shall be notified on a quarterly basis of all bargaining unit employees placed into the Medical Leave Abuse Control Program as well as those who have completed the Program and are returning to regular status.

L. An employee who has been placed in the Medical Leave Abuse Control Program shall be subject to the following sanctions:

1. The employee shall be required to obtain a doctor's certificate for all subsequent uses of medical leave, regardless of duration, while in the Program. This certificate must be submitted within two (2) working days after the employee returns to duty.

2. Notwithstanding other provisions of this Memorandum, secondary employment privileges and participation in other overtime details shall be suspended while the employee is in the Program.

3. No overtime compensation shall be awarded to the employee for the purpose of obtaining medical certification.

PART V PENALTIES

A. An employee accused of violating the provisions of the Medical Leave Abuse Control Program is entitled to a hearing before any action may be taken as a result of this Section. After a determination has been made that an employee has violated any of the provisions of the Program, he or she shall in addition to loss of wages for the day(s) not worked be disciplined in accordance with the following procedures:

1. One (1) day's suspension without pay for the first violation.
2. Suspension without pay for three (3) days and forfeiture of secondary employment opportunities for an additional twelve (12) months for the second violation.
3. Trial Board with a view toward termination for the third violation.

B. This provision shall not apply to absences preceding an employee's placement in the Medical Leave Abuse Control Program.

PART VI INCENTIVE FOR NON-USE OF MEDICAL LEAVE

A. The Department will provide the following incentives for non-use of medical leave:

1. Effective July 1, 2002, and continuing thereafter, employees shall earn three (3) days of paid leave for each six (6) months when medical leave is not used during each of the periods from July 1 to December 31 and January 1 to June 30. Any employee who completes an entire fiscal year without medical leave shall receive two (2) additional paid leave days.

2. This accumulated paid leave will be converted to Vacation Leave the following fiscal year to be used any time during that fiscal year.

3. The above incentive program shall apply only to those employees who worked in a full duty status, with the exception of those employees who have not reached maximum benefit of medical treatment for line-of-duty injuries and are in a restricted duty status. The incentive program shall apply to those employees who are in a restricted status and performing the essential functions of a full-duty position.

4. Any employee who was otherwise qualified to receive the benefits of this Section, and who suffered an injury while performing his/her official duties, may appeal to the Medical Director for restoration of those benefits for a period of one year from the date that employee returns to work from his/her line of duty injury. Final determination in these matters shall rest with the Medical Director.

PART VII

VACATION LEAVE ACCRUAL DURING SICK TIME

A. Effective July 1, 1991, employees will not accrue Vacation Leave in any month during which they were carried on sick leave for the entire period. Similarly, any employee who remains on line-of-duty medical ("A" Time) for a period of six (6) months will cease to accrue Vacation Leave during subsequent months in which he or she is on medical ("A" Time) for the entire month. In case of severe line-of-duty injuries and upon written request, the six (6) month provision shall be waived only upon recommendation of the Medical Director.

B. If an employee and/or the City successfully recovers monies for salary paid while on medical leave as a result of third-party litigation, those days of medical leave repaid to the City or Department shall be removed from the member's medical leave totals. This would apply to line-of-duty and non-line-of-duty injury cases.

In the event that such removal of medical leave days (a) would qualify the employee for the benefits of Part V of this Article and/or (b) would not have resulted in the non-accrual of Vacation Leave in Section A above, the employee shall receive all incentive days for non-use of medical leave and Vacation Leave days to which he or she would otherwise have been entitled under this Article.

ARTICLE 28

LAYOFFS

A. NOTICE OF LAYOFF

The Department shall give each affected employee not less than thirty (30) days' advance notice that he or she will be laid off. The Notice shall advise the employee of the expected period of layoff, if known, and that the employee's rights in the circumstances may be found in the Memorandum of Understanding and applicable

provisions of the Civil Service Regulations. The Department agrees to furnish a copy of each Notice to the Lodge and to meet with Lodge Representatives promptly to resolve any questions arising under this Memorandum.

B. ORDER OF LAYOFF

There shall be no layoff in any rank so long as unfilled, funded positions are budgeted and charged to the Department in that rank and approved for fill by the City Finance Department. The first order of layoff will be those Employee rated "unsatisfactory" or "needs improvement" on their last three (3) consecutive ratings. Thereafter, Employee shall be laid off in seniority order, the least senior member being laid off first, except that if the Department determines that operational reasons require retention of a member of the unit having an essential skill, such as a helicopter pilot or a specialty requiring a state license or certification (other than MPTC), he or she may be retained. Seniority means total length of Departmental service. In the event two (2) Employee of the unit have equal seniority, the tie shall be broken on the basis of their last written performance evaluation. In lieu of layoff, except for those rated "unsatisfactory" or "needs improvement" on their last three (3) consecutive performance ratings, a member of the bargaining unit may accept a reduction in rank, in which even the most junior employee in the lower rank shall be laid off.

C. HIRING DURING LAYOFF

No employee may be hired to perform the duties normally performed by a bargaining unit Employee while he or she is in layoff status, except to meet operational needs of the Department for Employee having an essential skill, as defined in Paragraph B.

D. RECALL RIGHTS

Laid-off bargaining unit Employee shall enjoy the right to be reinstated within eighteen (18) months from the effective date of the layoff to any vacant position for which they are qualified. Reinstatement shall be in reverse order of layoff or reduction in rank (i.e., by seniority). When the Department offers reinstatement to a laid-off member, it shall give him or her notice by registered mail, return receipt requested, and afford the affected member reasonable time, not to exceed twenty (20) days, within which to accept reinstatement.

E. BENEFITS

While on layoff, a member of the bargaining unit shall be entitled to maintain eligibility for COBRA benefits by paying the costs in accordance with the provisions of COBRA legislation.

ARTICLE 29
PERSONAL PRONOUNS

In all instances in this Memorandum in which the masculine form of the third person pronoun is used, such pronoun shall refer to both male and female employees.

ARTICLE 30
PRESERVATION OF BENEFITS

All benefits presently enjoyed by employees covered by this Memorandum of Understanding which are not specifically provided for or abridged in this Memorandum, such as but not limited to holidays, uniforms, equipment, etc., are hereby included and protected by this Memorandum.

ARTICLE 31
PRINTING OF MEMORANDUM

This Memorandum of Understanding shall be printed by the Lodge. The Department shall reimburse the Lodge for fifty percent (50%) of the cost of such printing.

ARTICLE 32
SEVERABILITY

If any term or provision of this Memorandum is, at any time during the life of this Memorandum, determined by a court of competent jurisdiction to be in conflict with any applicable law, constitution, statute, or ordinance, such term or provision shall continue in effect only to the extent permitted by law. If any term or provision is so held to be invalid or unenforceable (or if the parties agree that it is), such invalidity or unenforceability shall not affect or impair any other term or provision of this Memorandum.

ARTICLE 33
DURATION

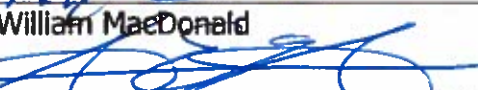

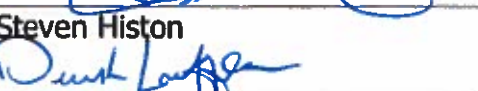

This Memorandum of Understanding shall become effective July 1, 2018, and remain in full force and effect until June 30, 2021. It shall automatically be renewed from year to year thereafter, unless either party shall give to the other party written notice of a desire to terminate, modify or amend this Memorandum of Understanding. Such notice shall be given to the other party in writing by certified mail no later than January 1 of the year involved.

ADDENDUM A

THIRD HEALTH AND PRESCRIPTION DRUG PLAN AGREEMENT

THIRD HEALTH AND PRESCRIPTION DRUG PLAN AGREEMENT

This Third Health and Prescription Agreement for City employees and dependents is made by and between the City of Baltimore (the "City") and the employee organizations designated as exclusive representatives of City employees in bargaining units certified under the Municipal Employee Relations Ordinance, including CUB, AFSCME, FOP, IAFF, and also including MAPS¹ (the "Unions") (hereinafter referred to as the "Agreement").

WHEREAS, the City and the Unions first entered into a Health and Prescription Drug Plan Agreement which was adopted by the Board of Estimates on November 7, 2012 (the "2012 Agreement"); and

WHEREAS, the 2012 Agreement was succeeded by the Transition Health and Prescription Drug Plan Agreement approved and adopted by the Board of Estimates on April 7, 2016 (the "2016 Agreement"); and

WHEREAS, pursuant to Paragraph 14 of the 2012 Agreement and Paragraph 9 of the 2016 Agreement, the 2012 and 2016 Agreements, respectively, were included as an attachment to each of the Unions' respective collective bargaining agreements (viz. Memorandum of Understanding) to begin with Fiscal Year 2013 through Fiscal Year 2018; and

WHEREAS, although the 2016 Agreement was to expire for each of the signatory Unions on December 31, 2017, the City and the Unions desire to continue to address health and prescription drug benefits on a City-wide basis with an agreement to succeed the 2016 Agreement through December 31, 2020;

IT IS HEREBY AGREED by and between the parties hereto:

1. **Health Insurance Committee Meetings and Activities:** The Health Insurance Committee ("HIC") that was re-established under Paragraph 9 of the 2012 Agreement shall continue in effect as follows:

a. The HIC shall be composed of equal numbers of Union and City representatives. Each Union and MAPS shall appoint one representative to the HIC, and the City shall designate representatives from the Office of the Labor Commissioner, the Department of Human Resources (including the Division of Employee Benefits), the Department of Finance, and the Office of Mayor. The parties' representatives may designate professional consultants to attend the meetings and participate in the business of the HIC. Should the Unions choose to have a consultant participate in HIC meetings, they shall choose a joint consultant.

b. The HIC shall meet no more than three (3) times but no less than two (2) times between the months of June and September to discuss cost containment, efficiencies, wellness, and other relevant issues, to review data for each plan for active employees (and pre-65

¹ The City's obligation to MAPS is to "meet and confer." Consistent with the parties' practice under the preceding Health and Prescription Drug Plan Agreement, MAPS was invited to participate in the discussions regarding this Agreement. Nothing in this Agreement should be construed as modifying MAPS' status under the Municipal Employees Relations Ordinance or in any way creating a duty to bargain with MAPS.

retirees) and other relevant information, as raised or requested by the Unions or the City, or their respective consultants. The union shall provide a proposed agenda no later than week prior to each requested meeting.

c. The City shall also continue to provide the Unions' consultant with the same or similar quarterly information that it has been providing to date. In the event that the Unions' consultant requests to meet and confer with the City's representatives, or requests information related to the City's plans, the City shall respond to such requests within a reasonable period of time (and where the response is a denial of the Unions' request, the City shall provide the reason for such denial). No data or documents may be unreasonably withheld nor may any communication be unreasonably delayed. Any complaints regarding the content or timing of the City's response, if not resolved directly between the consultants or between the Unions' consultant and the involved City representative, shall be brought to the attention of the Labor Commissioner who shall attempt to resolve the issue promptly. Access to data and documents available under this Agreement shall be in addition to any rights or remedies conferred under the State's Public Information Act.

d. One of the HIC meetings conducted between June and September shall be used to discuss each health insurance provider's Annual Provider Report as set forth in Paragraph 2 below. The consultants designated by the Unions and the City may be required to attend the HIC meeting(s) concerning the Annual Provider Reports.

e. Upon mutual agreement, HIC meetings may by mutual agreement be adjourned and continued to be resumed on subsequent timely dates to enable the City and its consultant(s) to fully respond to the Unions' requests for documents, information and data.

f. When requested, documents, information and data shall be furnished by Provider program, and with separate disclosure of revenues, claims and expenses for active employees (and covered dependents) and pre-Medicare eligible (e.g., pre-65 YOA) retirees and covered dependents to the extent that in the ordinary course such information is collected or maintained as so differentiated in the ordinary course of business.

2. **Annual Provider Reports.** Each health insurance plan provider engaged by the City shall provide the City with an "Annual Provider Report" which shall include, for the prior plan year, data relating to enrollment, claims (including data regarding claims exceeding \$75,000), administrative costs, utilization trends, any surplus or deficit for the prior plan year, and other relevant information about each program offered by the Provider under the City's Plan. The City shall provide the Annual Provider Reports to the Unions and their consultant promptly after receiving the reports from the providers but in any event no later than June 15 each year.

3. **Premiums/Premium Equivalents.**

a. To the extent that the Unions request data about the prior plan year's revenues, claims and costs associated with any of the City's health insurance programs and that, reasonably viewed, such requests are made to enable the Unions and their consultant to gauge the determination of premium equivalents for an upcoming Plan Year, such documents, data and information shall be furnished by the City to the Unions within the month of July, if available.

b. Subsequent to receiving from its consultant the projected premiums and/or premium equivalent rates, but no later than August 25, the City shall provide the Unions with (1) the formula, methods, and data used by the City's consultant to build rate projections for the ensuing Plan Year, and (2) a report containing the projected premiums and/or premium equivalent rates for each Provider program within the City's Plan (including both self-insured and fully-insured plans) proposed for each plan year, with supporting data.

c. Should the Unions or the Unions' consultant wish to confer with the City's consultant concerning the proposed rates, the Unions shall request such meeting(s) in writing no later than 15 days following the disclosure of the proposed rates, but in any event, no later than September 10. Such meeting(s) shall be held at least ten (10) days prior to the submission of the proposed rates to the Board of Estimates. The City shall consider and respond to the Unions' positions (and those of the Unions' consultants) at least ten (10) days before submission of the proposed rates to the Board of Estimates.

4. Current Plans and Cost Sharing. The City's Health and Prescription Drug Programs, the Providers and the plan of benefits for each of those City programs (as published in the City of Baltimore Plan Year 2018 Benefits Guide) shall remain unchanged through December 31, 2020. That current statement of benefits is attached hereto as Exhibit A. The current employee/employer split in percentage of premium rates also shall remain unchanged through December 31, 2020.

5. Requests for Proposals.

a. It is understood that the City may issue Request(s) for Proposals ("RFPs") for some or all of its plans for plan year 2021, through which the City may solicit proposals from current and/or other health insurance providers, as appropriate and consistent with the City's Charter. Before issuing any RFP, the City shall engage in meaningful discussions with the Unions and their benefits consultant between October 1, 2019 and January 31, 2020 about which health insurance benefit programs, benefit options, providers, pricing and methods of delivery are in the best interests of the City and all benefit plan participants. In entering into these discussions, the City does not waive its Charter prerogatives to determine providers and pricing, nor shall the Unions waive their rights under the Municipal Employee Relations Ordinance.

b. In addition to the discussions that are described in Paragraph 5.a., above, no less than 45 days before the release of any RFPs, the City shall notify the Unions of the proposed health insurance benefit options and plan structure(s) to be included in the RFP(s). After the Unions have been provided with this information, there shall be at least one HIC meeting at which the Unions shall have a meaningful opportunity to review and discuss with the City the RFP, and to propose changes to the proposed RFP(s) to which the City shall give meaningful consideration and response at least 5 days prior to issuance of each RFP.

c. After the City has received and reviewed the response(s) to an RFP, should the City decide that it wishes to add or eliminate a particular health insurance provider, the City shall so advise the Unions and provide the reasons for its desire to make such a change (e.g., because of proposed premium increases, service to participants, lack of participation in a given plan, efficiency through consolidation, etc.) at least 30 days before such action is recommended to

the Board of Estimates. The Unions and the Unions' consultant shall have a meaningful opportunity to discuss within the HIC any such proposed changes before the changes are implemented by the City.

d. The Unions shall be permitted to appoint two (2) Union representatives, in addition to the Unions' designated consultant, which representatives and consultant shall be permitted access to and participate in the process and meetings in development, interviews and scoring of each of the RFPs.

e. The parties shall be reasonable in exercising their rights under this Paragraph 5 and shall not impair or cause any unreasonable delay to the procurement of new health and prescription drug benefits.

f. In any event, all health and prescription benefit procurements shall be subject and subordinate to Article VI of the City Charter, and the sole authority of the Board of Estimates and the Director of Finance in that process.

6. Surplus from Self-Insured Plans.

a. Following the close of each plan (calendar) year, on or before May 1, and, in general, applying generally accepted accounting principles under the rules of the Governmental Standards Accounting Board (the "GASB"), the City shall furnish, in good faith, to the Unions and their designated consultant, an operating gain/loss statement for each self-insured plan.

b. The good faith operating gain/loss statement shall account for all premiums (and premium equivalents) of the plan for the benefit year as compared to expenditures for the plan. Expenditures shall include but not be limited to, estimated incurred claims, premiums paid, administrative, network, and other fees, and any taxes. The documents, information and data considered shall be furnished by Provider program, and with separate disclosure of revenues, claims and expenses for active employees (and covered dependents) and pre-Medicare eligible (e.g., pre-65 YOA) retirees and covered dependents to the extent that in the ordinary course such information is collected or maintained as so differentiated in the ordinary course of business.

c. In the event that a surplus results from the difference between premiums and payments received from covered employees (including all active employees and dependents, and all pre-65 retirees and dependents), and rebates and remissions from Providers, in excess of plan expenses in the aggregate for all health and prescription drug plans (i.e., taking into account any variance (positive or negative) in all plans), for Plan Years 2016, 2017, 2018, 2019 and 2020, the City's view of the appropriate application of any year-end surplus shall be discussed between the City and the Unions. Surplus funds may not be applied by the City for any other purpose than (a) the City's medical insurance plans covering active employees, pre-65 retirees and dependents, (b) to sustain the City's health insurance plans by deposit in the Premium Stabilization Fund that is described and defined in Paragraphs 7.a. and 7.b. of this Agreement, or (c) to defer the City's OPEB liability. Beginning with Plan Year 2018, and in each Plan Year thereafter, surplus funds from the prior Plan Year (and in the case of Plan Year 2018, the surplus funds from Plan Years 2016 and 2017) shall first be deposited to the account of the Premium Stabilization Fund to attain and maintain that Fund's minimum balance as defined in Paragraphs 7.b. and 7.c.

d. Surplus (between premiums collected and payments disbursed) attributable to currently enrolled active employees may not be used to offset the City's OPEB liability or applied to support the City's OPEB Trust without disclosure in advance to the HIC.

e. Conditioned on continuation of the present benefit Plans, benefit options and Providers, and current premium splits are maintained as provided in Paragraph 4 of this Agreement, in no event shall any refund be given to participating employees from any year-end surplus (as defined herein) for Plan Years 2016, 2017, 2018, 2019 or 2020.

7. Premium Stabilization Fund.

a. The City shall maintain a Premium Stabilization Fund (the "Fund") within the Risk Management Fund. The proceeds of the Fund shall not be comingled with any part of the City's General Operating Fund, but, instead, the Fund shall be maintained by the City for the exclusive benefit of active and pre-65 persons covered under the City's Health and Prescription Drug Plan under this Agreement. The Fund shall be used only to enable the City to defray a year-end Plan Year deficit in the Medical and Prescription Drug accounts, after all revenues, claims and costs are fully accounted for after full disclosure to the Unions and their designated consultant.

b. Any Plan Year-end surpluses in the Medical and Prescription Drug accounts, as defined in Paragraphs 6.a. and 6.b., will be transferred into the Premium Stabilization Fund until the balance in the Fund reaches the equivalent of two months of medical and prescription drug claims for the most recent completed Plan Year. The Director of Finance will report to the Unions on the balance of the Fund within three (3) months after the end of each Plan Year, i.e., by March 31 of the following year.

c. When the Premium Stabilization Fund balance is equal to or greater than two months of medical and prescription drug claims (for the exclusive benefit of active and pre-65 persons covered under the City's Health and Prescription Drug Plan under this Agreement) for the most recently completed Plan Year, the City will not add margin to its pricing of premium equivalents for its self-insured Medical and Prescription Drug programs.

d. Disbursements from the Fund shall be authorized only upon application by the Director of Finance approved by the Board of Estimates which application shall be furnished to the Unions before it is presented to the Board of Estimates. Should disbursements be authorized from the Fund by the Board of Estimates due to a year-end plan deficit as defined herein, then, in subsequent plan years, year-end plan surplus shall be exclusively applied first to restore the Fund, until the Fund is completely restored when other authorized applications of surplus may be considered consistent with Paragraphs 6.b and 6.c.

8. Attachment to Individual Union MOUs. This Agreement (including referenced attachments) shall be included as an attachment to each Union's MOU.

9. Disputes: All disputes about the application or interpretation of the terms of this Agreement shall first be presented in writing to the HIC, and absent agreement, shall be referred, collectively by the participating employee organizations that are exclusive representatives under

the Municipal Employee Relations Ordinance, and/or the City, for a decision by a neutral arbitrator who is a member of the National Academy of Arbitrators using the administrative processes of the American Arbitration Association. The fees and costs of the Association and of the selected neutral arbitrator shall be shared equally between the two parties.

10. **Notice:** For all purposes, notice to the Unions shall be sufficient if given to the Unions and to the City of Baltimore through correspondence in writing addressed to the Office of the Labor Commissioner.

11. **Term.** This Agreement shall remain in effect through December 31, 2020, except for those provisions which expressly refer to events occurring after that date (e.g., Paragraphs 5 and 6) which added provisions shall not expire on that date.

ADDENDUM C SECONDARY EMPLOYMENT

Det. Sgt. Michael T. Mancuso, President
Fraternal Order of Police
Baltimore City Lodge #3
3920 Buena Vista Avenue
Baltimore, Maryland 21211

November 13, 2018

RE: SECONDARY EMPLOYMENT

Dear President Mancuso:

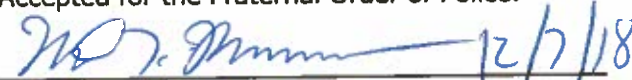

This letter will affirm our agreement in principle, to allow members of FOP, Unit I and Unit II to engage in secondary employment in uniform and armed with the issued service weapon within the limits of Baltimore City. The Police Commissioner shall exercise sole authority to determine whether, in all circumstances, each individual employment in which the uniform is to be worn should be permitted, based upon, but not limited to, the type of work, the suitability of the employer, and the number of scheduled hours the members will devote to the employment, in compliance with department policy and other operational considerations. A member may work in approved secondary employment not to exceed thirty-two (32) hours per week. No more than twenty (20) of those hours shall be worked in assignments outside those administered by the Overtime Unit unless the remaining 12 hours of City Secondary are not available, in which case the member may work up to the 32 hour limit. The Police Commissioner may authorize other approved secondary not subject to the twenty (20) hour limit such as hotels, hospitals, and schools.

During a week where the member is off five (5) or more leave days, other than medical leave, a member shall not work more than forty (40) hours of approved secondary employment.

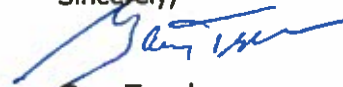

The Police Commissioner reserves the right to revoke permission previously granted at any time. The decision of the Police Commissioner in these matters shall be final and not subject to grievance procedures set forth in any collective bargaining agreements.

The guidelines set forth in General Order (GO Q-2) shall govern the terms of this policy, based on recommendations of a committee comprised of my designees and members of the FOP, Lodge #3.

ADDENDUM D ADMINISTRATIVELY CLOSED I.A.D. CASES

Det. Sgt. Michael T. Mancuso, President
Fraternal Order of Police
Baltimore City Lodge #3
3920 Buena Vista Avenue
Baltimore, Maryland 21211

November 13, 2018

RE: ADMINISTRATIVELY CLOSED I.A.D. CASES

Dear President Mancuso:

Effective July 1, 2003, in instances where the Legal Affairs Division makes a recommendation to administratively close a sustained case, such case shall be brought before a Departmental Hearing Board or other administrative process as determined appropriate by the Police Commissioner, and dismissed as not viable for prosecution. Cases so dismissed will result in all related charges previously sustained by I.A.D. to revert to a non-sustained finding upon dismissal. The non-sustained charges would then be subject to the expungement provisions of the Law Enforcement Officers' Bill of Rights (LEOBR).

Cases so closed within the five year period immediately preceding the effective date of this Agreement, may be considered for dismissal pursuant to the above procedures provided the member makes written application on a form provided by the Department. The Department will consider requests to close cases beyond the five-year period on a case-by-case basis. The Police Commissioner reserves the right to suspend this review process in the event the process creates an administrative burden which impedes the effective operation of the Divisions, Sections, or Units involved. In the event the process is suspended, the parties shall meet and confer to find a reasonable solution to the administrative issues and resume the process as determined appropriate by mutual agreement.

RE: BALTIMORE CITY POLICE DEPARTMENT – ARTICLES 6 AND 16

Dear President Mancuso:

This letter will confirm the agreement reached by the City and the FOP regarding two (2) provisions in the new MOU:

1. Article 6 Grievance and Arbitration: It is agreed that should an employee or the Lodge desire to file a grievance, it must be filed beginning at Step 1 and continuing if necessary through the remaining Steps and only then to arbitration. The only exception to this requirement that all grievance steps are mandatory shall be in cases of a group or class grievance which may be instituted at Step 3 or where the parties mutually agree to skip one or more steps in the grievance process.
2. Article 16, A.2 The parties have agreed to interpret this section to mean that if an employee is charged with a felony and suspended without pay pursuant to Article 16, A1, he/she will be entitled to reinstatement to pay status with all benefits, and lost pay back to the date on which pay was stopped, effective when the felony charges are dismissed or the officer is found not guilty. The employee shall be eligible for back pay under these circumstances even if there is a separate misdemeanor which has not been dismissed or adjudicated as not guilty.

Please accept this Side Letter as compliance with our understanding.

Dear President Mancuso:

With respect to the cancellation of H-Days, the Baltimore Police Department, until such time as the process can be automated, will continue to track this process through the paper rollbook system and/or e.resources. In addition, the Department will develop a tracking form for H-Day cancellation and the subsequent rescheduling of the day off or pay in lieu of the day off. As the Department adopts new time and attendance technology, it may transition H-Day tracking to the new technology.

The Baltimore Police Department will use its best efforts to adopt consistent payroll practices for timekeepers across the districts.

RE: Patrol Incentive Pilot Program

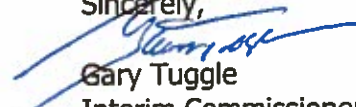

Dear President Mancuso:

The parties agree to work cooperatively to develop a Patrol Incentive Pilot Program during the term of the MOU through a Joint Labor Management Committee. The features of the program will include:

- An annual lump sum incentive payment for Sector Patrol members of \$1000 per year.

- The incentive payments shall not be considered earnings or income for purposes of pension calculations.
- To the greatest extent allowable by law, the incentive payments will be excluded from all premium pay calculations under the MOU or otherwise.
- The Committee may determine eligibility criteria for the incentive payment, provided that, to be eligible, a member must be actively working in Sector Patrol during the one year period, including the first and last days of the one year period, to which the incentive payment pertains.

RE: Civilians on Hearing Boards

Dear President Mancuso:

This letter will memorialize the parties' agreement to add two (2) civilians to the Departmental Administrative Hearing Boards ("Boards") under the following terms:

1. **Application.** Civilians who wish to serve on the Departmental Administrative Hearing Boards ("Boards") will be selected from volunteers who have completed an online or paper application that will be developed jointly among the Baltimore Police Department ("BPD"), Baltimore City ("City") and FOP, and which will be available on the BPD's and City's website. The application will require applicants to provide the information necessary to determine whether they meet the minimum age, residency, objectivity and criminal history qualifications stated below, and state that all candidates selected to serve as Civilian Board Members will be required to successfully complete the MPTC and Civilian Board Member Training Program.
2. **Selection.** The City, BPD and the FOP will jointly select candidates to serve as Civilian Members of Boards. The selection of a Civilian Board Member will be by majority vote, with the City, BPD, and the FOP each having one vote.
3. **Qualifications.** Candidates will be selected to serve as Civilian Board Members upon meeting the eligibility requirements outlined below. Prior to being able to serve as a Civilian Board Member, a selected candidate will be required to successfully complete the training identified below.
4. **Eligibility.** In order to be eligible to be selected as a candidate to serve as a Civilian Board Member, a candidate must meet the following qualifications:
 - (a) 21 years of age.
 - (b) Baltimore City resident.
 - (c) Never convicted or otherwise found guilty of a felony offense.

- (d) Not convicted or otherwise found guilty of a misdemeanor for which a sentence for one (1) year or more could have been imposed, within the ten (10) years preceding the appointment date.
- (e) Not arrested for a felony or misdemeanor, as set forth in paragraphs (c) and (d) above, where charges remain pending as of the appointment date.
- (f) Not a party (or the spouse, parent, sibling, or child of a party) to any legal action filed against the BPD, or a member of the BPD in the member's official capacity, within ten (10) years preceding the appointment date. Filing a notice of claim under the Local Government Torts Claims Act will constitute being a party to a legal action.
- (g) Not a current or former BPD sworn law enforcement officer.
- (h) Affirm that he/she can be fair and impartial and has no bias in favor of or against police.
- (i) Not a current or former voting or non-voting member of the Baltimore City Civilian Review Board.

5. Training. In order for a selected candidate to serve as a Civilian Board Member, a candidate must complete the following training:

- (a) Candidates must complete the training administered by the Maryland Police Training and Standards Commission on the Law Enforcement Officers' Bill of Rights and matters relating to police procedures, as required by LEOBR, MD Public Safety § 3-107 (West).
- (b) Candidates must complete the Civilian Board Member Training Program developed and conducted by the BPD. Within 90 days of execution of this agreement, the BPD, the City, and the FOP will meet and confer over the training program for Civilian Board Members, in which the FOP will have the opportunity to provide input with respect to the content of the training and to observe during the training sessions. Such training will be approximately eight (8) hours in total.
- (c) Candidates must participate in the BPD Ride-Along Program. Each candidate must participate in a minimum of five (5) ride-alongs in at least three (3) separate districts, to include one (1) ride along during A Shift and three (3)

ride-alongs during C shift. Each ride-along will be a minimum of four (4) hours in duration. A Field Training Officer must be present for such ride-alongs. In addition, if an incident involving an officer occurs during a ride-along which subsequently goes before a Board, the civilian present during the ride-along may not serve as a Civilian Board Member on that Board.

6. General Provisions

(a) Service on Boards

- i. Composition of Board. A Board will consist of five (5) voting board members. The two (2) Civilian Board Members will participate as voting members. The three (3) sworn members will participate as voting members and will be selected in accordance with the Memorandum of Understanding. The highest ranking law enforcement member of the Board shall be the chairperson.
- ii. Civilian Board Members will be randomly selected for each Board, subject to their availability. If no Civilian Board Member(s) is eligible and available for a hearing, the hearing will proceed without one or both Civilian Board Member(s).
- iii. If a Civilian is serving on a Board for a hearing that requires more than one (1) day, and the Civilian is unavailable for the subsequent hearing day(s), the hearing will be postponed for a reasonable period until the Civilian Board Member is available.
- iv. In the event the Board proceeds with only one Civilian Board Member due to unavailability, the Board will proceed to adjudicate the matter with four (4) members. In the event the four members are unable to render a majority determination, the Board will be reconstituted and rehear the matter.
- v. When selected to serve, Civilian Board Members will be required to complete the Department's Objectivity Statement. Any Civilian Board Member who indicates that he/she has a conflict or states that he/she cannot be objective will be removed from the Board and replaced with another randomly selected Civilian Board Member.

- (b) **Stipends.** Civilians serving on Boards will receive a \$500 stipend for completing the training requirements outlined above, to be payable by the BPD after the civilian's participation in his/her first Board hearing. Civilian Board Members also will receive a stipend of no less than \$100 per hearing day paid by the BPD.
- (c) **Term and Removal.** Civilian Board Members shall be selected to serve for a term of three (3) years and may serve up to two (2) consecutive terms.

A Civilian Board Member shall be removed from service during his/her term only if the individual engages in activity that would have precluded him/her from service had it occurred prior to selection; provided, however, that if the circumstances giving rise to removal are resolved such that the individual remains eligible to serve, he/she may be reinstated for the balance of the term. In addition, if the Police Commissioner determines that the Civilian Board Member is unwilling or unable to perform the duties and responsibilities of a Board member, he/she may be removed at any time with the FOP's concurrence.

No determination of a Board that includes a Civilian Board Member, who it is later discovered was not eligible to participate on the Board, will be invalidated on that basis.

7. **Grandfather Clause.** No Civilian Board Member will participate in a Board for any accused officer who was administratively charged by the BPD prior to the signing of this Memorandum of Understanding by both parties and the notation by the Board of Estimates.

ADDENDUM P ***Limited/Light Duty***

Det. Sgt. Michael T. Mancuso, President
Fraternal Order of Police
Baltimore City Lodge #3
3920 Buena Vista Avenue
Baltimore, Maryland 21211

November 13, 2018

RE: Limited/Light Duty

Dear President Mancuso:

This letter will memorialize the parties' agreement to replace the Medical Leave Letter dated March 21, 2005, with the following:

1. **Limited Duty**

- (a) **Maximum Limited/Light Duty Periods.** Limited/light duty work is temporary and intended to provide employees with a period of time in which to recover and return to full-duty status. As such, limited/light duty shall not be permanent and shall be limited in duration in accordance with the following. Exhaustion of the maximum period of limited/light duty will result in the employee's separation from service, consistent with paragraphs 3 and 4, unless he/she has retired from service or has accepted transfer to a civilian position.

- (i) **Line of Duty Injury or Illness.** Any employee who sustains an injury or illness in the line of duty and who ceases to perform the full duties of a police officer will have a maximum of twenty-four (24) months from the date of onset of the injury or illness to complete the appropriate procedure and/or treatment to return to full-duty status.
- (ii) **Non-Line of Duty Injury or Illness.** Any employee who sustains a non-line of duty injury or illness and who ceases to perform the full duties of a police officer will have a maximum of twelve (12) months from the date of onset of the injury or illness to complete the appropriate procedure and/or treatment to return to full-duty status.

The above periods will be extended through the date of an F&P determination on the employee's application for disability pension, if such determination has not been rendered within the maximum limited/light duty period stated above,

Catherine Pugh
Mayor

BALTIMORE POLICE DEPARTMENT

Gary Tuggle
Interim Police
Commissioner

provided that any delay in the hearing date for such determination has not been caused by the employee.

- (b) The maximum periods above will be cumulative unless the employee has returned to work for a period of eighteen (18) continuous months without use of limited/light duty or medical leave for the same injury or illness. Any recurrence of the need for limited/light duty or medical leave for the same injury or illness, if less than eighteen (18) months from any prior usage, will be treated as a continuation of the maximum periods stated above.
- (c) If the need for limited/light duty or medical leave is a result of a new injury, the provisions in (i) and (ii) would apply.

2. Return to Full Duty Status

- (a) Should the Department receive written certification from a member's physician that the member is (i) qualified to return to full duty status, or (ii) will be qualified for full duty within a reasonable period of time, the Department's Medical Director or his/her designee shall review the written certification. Upon review, if the Department's Medical Director or his/her designee agrees with the member's physician certification, the member will be returned to full duty.
- (b) If the Department's Medical Director or his/her designee disagrees with the certification, a conference will be conducted by Department's Medical Director or his/her designee with the sworn member and the sworn member's physician in an attempt to resolve the difference of medical opinions. If the conference fails to produce an agreement regarding the member's status, the member will have thirty (30) days to schedule an examination by a qualified independent physician selected by the sworn member with the concurrence of the Department's Medical Director or his/her designee. Once the independent physician is selected as described herein, the Department's Medical Director or his/her designee shall refer the sworn member to that physician for an evaluation of the sworn member's qualification to return to full-duty status.
- (c) Upon receipt of the results of the independent physician's examination, the Department's Medical Director or his/her designee shall make the final determination regarding the member's qualification to return to full duty.

Mayor

Commissioner

BALTIMORE POLICE DEPARTMENT

3. Permanent Medical Disqualification

- (a) Retirement. Any employee who has been determined to be permanently medically unqualified to return to a full-duty status by the Department's Medical Director or the employee's treating health care provider, regardless whether the employee has exhausted the maximum periods for limited/light duty described in paragraph 1, will retire from service if eligible for any form of pension (*e.g.*, normal service retirement, line of duty or non-line of duty disability retirement, or job removal). Such retirement shall occur as soon as the employee is eligible for such pension, if applicable.
 - (i) In the case of a disability pension, the employee must file a completed application for a pension, including all required supporting records, within ninety (90) calendar days from the date of notification of the determination of permanent medical disqualification. Failure to file the required application will result in the employee being separated from the Department immediately due to that employee's inability to perform the requirements of a full-duty police officer.
 - (ii) Any employee who timely files a completed disability pension benefit application and who does not withdraw his/her application, shall not be separated from the Department until such time as a decision has been rendered on the employee's application for a disability pension. If awarded a disability pension, the member will retire.
 - (iii) If the employee is denied a disability pension, the employee shall have a maximum of twelve (12) months in the case of line-of-duty, or six (6) months in the case of non-line of duty, to recover and return to full duty. If the employee does not return to full duty within the above-stated periods, the employee will be separated from service in the following manner: (1) if eligible, retire with a normal service retirement; (2) if eligible, retire by job removal pursuant to the Baltimore City Fire and Police Employees' Retirement System, Article 22, § 34(j-1)(1)(C); or (3) separate from service upon exhaustion of the maximum limited/light duty period.
- (b) Reassignment. In lieu of retirement or separation from service, at any time after an employee has been determined to be permanently medically unqualified to return to a full-duty status by the Department's Medical Director or the employee's treating health care provider, the employee may

Catherine Pugh

Commissioner

seek a reassignment to a civilian position for which he/she is qualified. Such position/reassignment may be outside the bargaining unit, and will be subject to the terms and conditions of any applicable bargaining agreement. If the employee accepts the reassignment, the employee's personnel classification will be changed consistent with the new position.

4. **Grandfathering.** These changes will take effect upon the date of notation by the Board Estimates of the new MOU (the "Effective Date"), and will apply as follows:
- (a) If the employee was denied a disability pension before the Effective Date, the employee shall have a maximum of thirty (30) months (line of duty) or eighteen (18) months (non-line of duty) from the Effective Date to recover and return to full duty. If the employee does not return to full duty within the thirty- or eighteen-month period, as applicable, the employee will be separated from service in accordance with the provisions of paragraph 3(a)(iii).
 - (b) If the employee is denied a disability pension on or after the Effective Date, the employee will be subject to the revised provisions of the new MOU as set forth herein.
