MEMORANDUM OF UNDERSTANDING

FISCAL YEAR 2018-2020

between

THE MAYOR AND CITY COUNCIL OF BALTIMORE

and

BALTIMORE FIRE OFFICERS, LOCAL 964

INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS

AFL-CIO, CLC

This Memorandum of Understanding is entered into this First day of July 2017, between the Mayor and City Council of Baltimore ("Employer") and the Baltimore Fire Officers, Local 964, IAFF, AFL-CIO, CLC ("Union"). The terms and conditions of this document shall constitute a mandate to the Mayor of Baltimore City with respect to such matters which can be remedied administratively by her, and as a mandate to the Board of Estimates and the City Council with respect to matters which require legislative action necessary to implement the Agreement in lieu of a decision of the Board of Arbitration.

ARTICLE 1: DECLARATION OF PRINCIPLE, POLICIES AND PURPOSE

It is the intent and purpose of the Union and the Employer to promote and improve the efficiency of the operations of the City of Baltimore and the Baltimore City Fire Department ("BCFD" or "the Department"). In order to render the most efficient public service to the citizens of the City, the Union and Employer agree that this goal can best be achieved through an orderly, constructive and harmonious relationship between them. The parties hereto are in further accord that effective employee relations in the public service requires a clear statement of the respective rights and obligations of labor and management and for this purpose enter into this Memorandum of Understanding (hereinafter "this Agreement").

ARTICLE 2: RECOGNITION

A. The Employer recognizes the Union as the certified negotiating representative of all eligible employees in the BCFD, pursuant to the provisions of the Municipal Employee Relations Ordinance ("MERO") (as last amended by Ordinance 04-822), Baltimore City Code (2010 as published by Baltimore City Department of Legislative Reference) (hereinafter "Baltimore City Code"), Article 12, Section 4-1.

B. The Employer agrees to furnish the Union with the titles, classifications, rates of pay and job descriptions of all employees in the unit upon request.

C. The parties shall continue in effect, as edited through February 27, 2011, portions of the Statement of Labor Management Committee on the Reorganization of the BCFD EMS Division (dated August 5, 2009) which Statement, as edited, is appended as a part of this Agreement as Addendum J, and the Employer shall continue to observe the terms of the Statement.

ARTICLE 3: CHECKOFF

The Employer agrees to deduct Union dues from the pay of any employee whom the Union is certified to represent and who authorized such deductions in writing, pursuant to the provisions of the MERO, Section 6-1. The Employer shall transmit all such moneys withheld to the Union within seven (7) days of said deduction. The Employer agrees to supply the Union with a dues deduction computer printout on a biannual basis throughout the term of this Agreement. Said printout shall include each individual's name, address, location, annual salary and amount deducted per pay period. Said deductions and printouts shall be without cost to the Union.

Such authorization shall be continued from year to year unless revoked in writing thirty (30) days prior to the employee's anniversary date.

The Employer shall deduct a service fee from the bi-weekly pay of any employee who the Union is certified to represent who is not a Union member and who has not authorized the City to deduct Union dues from his or her pay. The service fee shall be collected, without the need for a prior written authorization from the employee, pursuant to all applicable provisions of the MERO, Section 6-2. The service fee deduction shall be updated on a quarterly basis to reflect adjustments from promotions and otherwise, in an employee's total annual salary; and collection of the service fee shall be conditioned on compliance with Article 14, of this Agreement. The Employer shall transmit all funds withheld to the Union within seven days of said deduction.

The Union shall indemnify and save the Employer harmless of any and all claims, grievances, actions, suits or other forms of liability or damages that arise out of or by reason of any action taken by the Employer for the purpose of complying with any of the provisions of this Section, and the Union assumes full responsibility for the disposition of the funds deducted under this Section as soon as they have been remitted by the City to the Union. Should the Employer fail to pay any sum that is a part of an employee's total annual compensation, the Employer shall deduct and withhold Union dues from that sum whenever it is paid, and it shall remit the sum withheld as Union dues check off.

ARTICLE 4: DISCRIMINATION

A. The provisions of this Agreement shall be applied equally to all employees in the bargaining unit for which the Union is the certified representative without discrimination as to age, sex, marital status, race, creed, color, national origin, political affiliation, disability as defined in the Americans With Disabilities Act, or sexual orientation.

B. The Employer and the Union agree that they shall not interfere with employees in the exercise of their rights guaranteed under the MERO.

C. All reference to employees or members in this Agreement is intended to include both sexes, and, wherever the male gender is used, it shall be construed to include male and female members as appropriate.

ARTICLE 5: MANAGEMENT RIGHTS

Subject to the provisions of this Agreement, the Employer shall have all of the rights set forth in Baltimore City Charter (As Last Amended by Ch. 624, Acts of 2013), Article VII, Sections 47, 48 (a) and (d), and Sections 51 (b) and (c); and in provisions of the MERO, Section 3-2, which provisions are incorporated herein by reference.

ARTICLE 6: GRIEVANCE AND ARBITRATION PROCEDURE

A. Subject to any limitation of existing law, any grievance, defined in the MERO, Section 1-1(g) as a dispute concerning the application or interpretation of the terms of this Agreement or a claimed violation, misinterpretation or misapplication of the rules or regulations of the Employer affecting the terms and conditions of employment, may be settled in the following manner:

STEP 1. Within 15 calendar days of the date of the grievance or knowledge by the affected employee of the occurrence giving rise to the grievance, the employee, accompanied by an authorized representative of the Union, shall orally discuss the grievance with his immediate officer. The aggrieved employee and representative shall attempt to resolve the complaint with all parties involved.

In the event the grievance is not resolved at this level, the employee and his Union representative shall present the grievance in writing to the Senior Officer or House Captain. If the grievance is not resolved at this level within 15 days, the Union Steward and Battalion Representative shall present the grievance in writing to the Battalion Chief.

STEP 2. If the grievance is not satisfactorily resolved within 15 days of presentation to the Battalion Chief, the aggrieved employee shall forward the grievance, in writing, through a Union Vice President to the appropriate Deputy Chief. Within 7 calendar days of the presentation, that Deputy Chief shall hold a meeting with the appropriate Union representative to discuss the grievance.

STEP 3. If the grievance has not been satisfactorily resolved in Step 2, a written grievance may be taken to the Chief of Fire Department or his designee within 15 days following the completion of Step 2. The Chief or his designee shall meet and discuss the grievance with an appropriate union official within 10 days of receipt of the grievance. A written answer to the grievance shall be submitted to the employee and an appropriate Union Official within 10 days thereafter. Should the Union not receive a written response within 10 days, it may advance the grievance to the next step. Any grievance concerning the

specific action of Chief of Fire Department, or any grievance which affects at least more than one employee may be commenced at Step 3.

STEP 4. If the grievance has not been satisfactorily resolved at Step 3, the grievance may be taken to the Office of the Labor Commissioner of the City of Baltimore by the Union President or his designee within 15 days following the completion of Step 3. Within 15 days of receipt of the grievance, the Labor Commissioner or his designee shall meet with the Union President or his designee and the aggrieved employee to discuss the grievance. The Labor Commissioner or his designee shall respond in writing to the President of the Union within 10 days, it may advance the grievance to the next step.

Following Step 4 proceedings at the level of the Office of the Labor Commissioner, there shall be a Step 4 Mediation, but, if and only if, the Union, the Chief of Fire Department, and the Office of the Labor Commissioner agree in writing to conduct Step 4 Mediation as a non-binding mediation that is chaired by a neutral party, whom the parties shall appoint either from the staff of the Federal Mediation and Conciliation Service, or by alternately striking from a list of seven arbitrators who each are members, of the National Academy of Arbitrators (Baltimore/Washington Area list) furnished to them by the Federal Mediation and Conciliation Service. Any costs or fees associated with the mediation shall be shared equally; each side, however, to cover its own costs of counsel and presentation.

A Step 4 Mediation shall be conducted within sixty days after a mediation agreement is signed by the Union the Chief of Fire Department and the Office of the Labor Commissioner. A grievance shall be settled through mediation only if a settlement agreement is signed by the Union, the Chief of Fire Department and the Office of the Labor Commissioner, and it is noted, if necessary, by the Baltimore City Board of Estimates. No statement made in the course of a mediation session or by the mediator may be used as evidence in any proceedings.

STEP 5. Step 5 shall be binding arbitration, which shall be available if a grievance is not settled or withdrawn by prior action of the Union. Arbitration shall be demanded by a letter addressed, jointly, to the Chief of Fire Department and the Office of the Labor Commissioner. The Union's letter making a demand for arbitration shall be timely if it is delivered within thirty days after completion of Step 3, or Step 4 if that Step is conducted by agreement.

- a. The parties shall appoint an arbitrator to hear and decide all issues by alternately striking from a list of seven arbitrators who each are

members of the National Academy of Arbitrators Baltimore/Washington Area list) furnished to them by the Federal Mediation and Conciliation Service. The first strike made in selecting an arbitrator shall be alternated between the Union and the Employer from case to case.

b. The Union is the only party that may demand arbitration on behalf of the bargaining unit, and/or any members of the bargaining unit. Any award issued by an arbitrator shall be final and binding on the Union, the Mayor and City Council (and all constituent City agencies) and the employee(s) aggrieved. Should the Union decide not to proceed to arbitration, the employee(s) aggrieved shall likewise be bound by that decision.

B.

1. Notwithstanding the grievance steps which are provided in Paragraph A, immediately above, the employee and/or the Union shall file a grievance at the step commensurate with the level at which, as alleged in the grievance, the breach alleged first occurred.

2. Time limits under this Article may be changed by mutual agreement.

C. If the findings or resolution of a grievance at any step of the procedure is not appealed within the prescribed time, said grievance will be considered settled on the basis of the last answer provided and there shall be no further appeal or review. Should the Employer not respond within the prescribed time, the grievance will proceed to the next step.

D. The cost of any arbitration proceedings under this Agreement shall be equally divided between the Employer and the Union.

E. In computing the time limits under this Article, the date of the preceding event shall be counted. Commencing at Step 3, Saturdays, Sundays and legal holidays shall not be counted in computing time limits. The time period for filing a grievance under this Agreement or an administrative appeal before the City's Civil Service Commission to contest any form of discipline shall not begin until the final administrative action has occurred within the Fire Department and the employee(s) affected have received written notice of such action.

F. The rights of any employee who is discharged, permanently reduced in pay or position or suspended for more than thirty (30) days shall be as prescribed in Article 12 of this Agreement. The employee shall be entitled to all rights and remedies that are available to the employee under Baltimore City Charter, (as last amended by

Resolution 10-024; Chapter 645, Acts of 2010), Article VII, Section 100 (a), which are expressly reserved.

G. Any employee, who, as discipline, is suspended for five or more days, but less than 31 days, shall be permitted to grieve such discipline. The Union may advance the employee's grievance to arbitration if in its discretion the Union finds arbitration to be appropriate. The issue presented, which may be decided by an arbitrator, shall be whether, consistent with Baltimore City Code (2009 as published by Baltimore City Department of Legislative Reference), Article 12, Section 3-2(3)(i), the discipline issued by the Employer was for just cause, and, if not, what shall be the remedy.

H. The Employer shall print and maintain copies of grievance forms in all units.

I. Officers involved in the charges leading to a grievance shall have the prerogative of being present at each step of the processing of that grievance.

ARTICLE 7: UNION STEWARDS AND UNION REPRESENTATION

A. The Employer recognizes and shall deal with the appropriate accredited Union Steward in areas to be defined by the parties and, where provided for in this Agreement, the Union President and/or representative in all grievances filed under this Agreement.

B. A written list of the Union Stewards and alternates shall be furnished to the Employer immediately after their designation and the Union shall notify the Employer promptly of any changes of such Union Stewards.

C. There shall be no more than one (1) Union Steward and alternate in each area referred to in Paragraph A above.

D. After appropriate notice to his immediate superior, a Union Steward or Union Officer shall be granted reasonable time off during working hours with pay where he is engaged in processing a grievance under Article 6 of this Memorandum, except when granting such leave would adversely affect delivery of emergency services.

E. Nothing shall abridge the right of any duly authorized representative of the Union to present the view of the Union to the citizens on issues which affect the welfare of its members, or inhibit or hamper any employee's constitutional right of free speech.

F. The President of the Union shall be detailed to Fire Department Headquarters for the duration of this Agreement to discharge his duties and shall be granted

reasonable leave with pay as may be required for the purpose of discharging his official duties as Union President.

G. Officers of the Union shall not be disciplined for conduct while acting in their official capacity as officers of the Union and shall have the right to file a grievance pursuant to the grievance and arbitration procedure herein for any disciplinary action taken against them for conduct while acting in their official capacity as officers of the Union.

ARTICLE 8: HOURS OF WORK

A. The following terms shall remain in effect through December 31, 2013:

1. The regularly scheduled workweek for all Fire Suppression and Emergency Medical Services ("EMS") personnel shall average approximately 42 hours per week, the aggregate of which shall be approximately 2,190 hours annually.

2. Each employee's day of work shall be 10 hours on day shift and 14 hours on night shift. The basic order of shift rotation shall consist of two 10-hour day shifts, followed by two 14-hour night shifts, followed by 4 days off work. Employees shall be scheduled to work in accordance with Addendum C1 Work Schedule, effective July 1, 2013, attached to the FY 2014-16 MOU. The Department shall continue to observe its current practices and procedures with regard to the start and end of shifts and shift relief.

B. Effective January 1, 2014, the schedule and hours of work for the Fire Suppression Division shall be as follows:

1. Fire Suppression Division shift employees (but not day work employees) shall be assigned to a four (4) platoon, 24 hour shift work schedule for a regularly scheduled average of approximately 47 work hours each week, the aggregate of which shall be 2,463 hours per year, on an eight (8) impact day system.

2. The base schedule of 47 hours per week for Fire Suppression will be one 24 hour shift of work, followed by one day off, followed in turn, by a second 24-hour shift of work (the "24/24/24"). After the second work shift of 24 hours, there will be five consecutive regularly scheduled days off. This pattern completes an eight calendar day cycle. The next eight calendar days repeat that same pattern, with the vacation option day falling every forty-eight days within a six number system. The complete 8-day pattern shall be: W-O-W-O-O-O-O-O. (W) Work and (O) Off. Personnel assigned to the Fire Suppression

Division will be assigned to a 24-hour "impact" day rotation that will alternate every 30th and 34th day for an average of one impact day every 32 calendar days. This schedule shall yield the option of a thirteen day break from work every 48 calendar days, except when an impact day falls within a member's first choice vacation. The calendar template for the 24-hour schedule that is to be implemented as of January 1, 2014 is appended to this Agreement as Addendum C.

3. On and after January 1, 2014, personnel assigned to the Fire Suppression Division will remain on the six-number vacation system, and will receive approximately 15 first choice vacations options per year, as provided in Section 30.C.

4. An impact day cannot result in the assignment of two days or forty-eight hours of work consecutively. An impact day may be exchanged or swapped between employees, in 10, 14, and/or 24 hour blocks as elected by the employee.

5. Employees may not take vacation, personal, holidays or compensatory leave on impact days, or otherwise be excused from reporting for work on impact days except for bereavement leave or jury summons or other court appearance. In the event of a jury summons or other court appearance, the terms of MOP 339-1 shall continue to be observed to allow for relief of members with pay through administrative leave should the member be on a 24-hour shift; provided, however, that employees who are working a 24-hour shift, shall be required to return to work once excused by the court following any jury summons/duty or other court appearance.

The new Fire Suppression schedule shall not apply to personnel on day work in the following areas; Fire Academy, Fire Prevention Bureau, Special Operations Command, HazMat, Air Mask Repair, Fire Supply Fire Maintenance, Information Technology (IT), EMS, OEM, Safety and as Staff Aides. The new Fire Suppression schedule shall apply to all personnel assigned to shift work, including personnel assigned to fire companies, Fire Investigation, Fire Prevention Bureau (on shift), Telestaff, Air Logistics, Special Operations, and as Shift Safety Officers or Shift Commander's Office Aides. The current hours and work schedules of all employees not expressly addressed in this Article shall be maintained. Personnel who are reassigned, involuntarily, from Fire Suppression to day work shall not suffer a loss of pay or position, and it is understood that such employees, to remain in Fire Suppression status, may be assigned up to 47 hours a week, about which schedule the Employer shall first consult with the Union.

Notwithstanding anything to the contrary in this paragraph above, upon the effective date of this Agreement, the Chief of Department shall issue a new MOP (in the MOP 322 series) pursuant to which Lieutenants and Captains shall be permitted to exercise a vacation option on their 24-hour "impact" day. The employee must then forfeit one 24-hour vacation option within the next ninety (90) days. Employees may not swap this opportunity. When an employee exercises this opportunity, it is entered in Telestaff as "VX".

It is further understood by and between the parties that allowing employees to exercise a vacation option on an impact day is not expected nor intended to create any additional annual net cost to the City, through overtime, acting out of title, or otherwise. Accordingly, at or around the end of each fiscal year that this program is in effect, the Department will review the data to determine whether it has generated a net cost over the past fiscal year. In the event that it has created such a cost, the Chief of Department and the Union will discuss potential changes to the program or other corrective measures to address the issue.

The current pilot program regarding impact days for Battalion Chiefs, Shift Fire Investigators, and Shift Safety Officers shall remain in effect unless or until it is discontinued by the Chief of Department, in which case the new MOP for Lieutenants and Captains discussed above shall become applicable to Battalion Chiefs, Shift Fire Investigators, and Shift Safety Officers as well.

6. The work day for Fire Suppression personnel shall begin at 0700 hours (7:00 AM).

C.

1. For the term of this Agreement, the regular work schedule and hours of work for all members of the EMS Division of four days on (two 10-hour days followed by two 14-hour nights) followed by four days off shall remain in effect and unchanged, which schedule shall be that reflected in Addendum C-1.

2. All EMS Division personnel will remain on six-number vacation system, and they will continue to receive approximately 30 first choice vacation options per year.

D. Between October 1, 2013 and October 31, 2013, all rated personnel who are not assigned to the EMS Division and all first acting members of Fire Suppression units may elect to drop their ALS certifications from MIEMSS, which request shall be honored by the Employer. After October 31, 2013, this window will close and Employees who did not opt-out shall be required to maintain their ALS certification.

E. No employee shall be laid off, terminated, demoted/reduced in rank, furloughed or reduced in wage or position as a result of the schedule change during the term of this Agreement.

F. The following implementation rules shall apply to the changes that are adopted under this Agreement to begin in Fiscal Year 2014:

1. For a period of six (6) years (through June 30, 2019), the City shall not make any proposal to further increase, nor shall it further increase, the number of hours worked by Fire Suppression personnel above and beyond the shift and schedule changes to be implemented on or after January 1, 2014 under this Article.

2. The changes in work schedules and hours of work for suppression employees that are provided for under this Article 13 are conditioned on implementation and payment of the wage increases noted in Article 13.A.2, and those added amounts shall continue to be paid through the term of this Agreement concurrently with the schedule and hours changes. If any of the FY 2014 payments are reduced or discontinued during the term of this Agreement, the work schedules and hours of work for suppression employees shall revert to those last in effect between July 1, 2012 and June 30, 2013. In all other respects, the wages and wage increases that are due under Article 13 shall be subject to revision only if the terms of Article 36.B of this Agreement are satisfied.

G. Notwithstanding the changes that are to be implemented under this Agreement, the Department shall continue to observe its current practices and procedures with regard to the start and end of shifts and shift relief.

H. Company Officers and Battalion Officers may be permitted to exchange at any one time one or more vacation choices or turns with similarly situated employees in the same battalion, or within the Department, with the consent of the respective Battalion Chief or Shift Commander as the case may be. Battalion Chiefs may be permitted to exchange at any one time one or more vacation choices with similarly situated employees in the Department with the consent of respective Division Chief(s). Responsibility for the equalization of time rests exclusively with the two employees agreeing to the exchange of tours of duty, and the Fire Department will not undertake the enforcement or equalization of the time. An employee shall be excused from duty upon proper relief within the two (2) hour period to the end of his shift by his Unit Officer, or member acting as such, or earlier upon consent of the Battalion Chief/ Shift Commander.

I. Company officers may exchange vacation choices or shift rotation (as defined in Article 8, Section A.2 of this Agreement) with employees in the Fire Fighters bargaining unit.

J. As personnel shall remain deployed in four shifts or platoons, there shall be no Division-wide redraw either in Fire Suppression or EMS, nor, shall there be a new Department-wide assignment of vacation numbers within the six-number vacation system. Personnel may be reassigned and given new vacation numbers consistent with Article 30.J. The impact numbers shall be assigned as discussed between the Fire Department and the Fire Unions before the new work schedule is implemented.

K. Employees may exchange work shifts provided no individual may work more than twenty-four hours consecutive except under emergency conditions. Employees who voluntarily swap tours of duty to work longer than their normal shift will not be eligible for meal allowance or overtime under Article 9 of this Agreement. If the employee who voluntarily works an additional shift is held past that shift due to emergency operations, the employee shall be eligible for the provisions of Article 9. The Employer shall have the right to disapprove any swap of work dates that would invoke the provision of Fair Labor Standards Act ("FLSA") overtime payment for public safety employees.

L. Before rescheduling the work hours of any unit, the Employer shall notify the Union 30 days in advance so that the parties may have opportunity to further discuss any change prior to implementation. The Chief of Fire Department shall have scheduling authority.

M. Employees assigned as instructors at the Fire Academy, assigned to the Fire Prevention Bureau, or assigned to the "all day" shift at the Fire Investigation Bureau shall work a 4-day, 40-hour workweek.

N. Shift exchanges (open-ended swaps) permitted between members shall expire in the event of a transfer to the same shift, or a separation from service for retirement, death, termination or resignation after a swap is made.

O. Except as otherwise provided in Article 9.H with respect to the specific certifications noted therein, it is the agreed rule that the Employer shall pay its employees for all time spent as a condition of employment to maintain a qualification for the member's classification in classroom instruction, training and/or preceptorship, and such time spent shall be considered as hours of work. This obligation shall not include time devoted by a member to personal study or for remedial studies.

ARTICLE 9: OVERTIME

A. All hours worked in excess of regularly scheduled work days or in excess of the regularly scheduled work periods shall be overtime and shall be paid for at the rate of one and one half (1½) times the normal straight time rate of pay. Notwithstanding the regularly scheduled work days and work periods for members of the bargaining unit, in the application of overtime pay the Employer shall also distinguish between employees who are FLSA § 7(k) exempt and employees who are not exempt under FLSA § 7(k), with the result that the Employer shall extend overtime pay for all regularly scheduled hours of work within the EMS Division that are in excess of 40 hours in a week. The Employer shall apply General Order No. 46-09 (July 21, 2009) concerning overtime pay for members assigned to the EMS Division, which General Order is appended as a part of this Agreement as Addendum K. The hourly overtime rate shall be paid after an employee has worked for a minimum of fifteen minutes overtime.

The FLSA work period for employees assigned to the 47-hour schedule shall be 24-days and shall begin on January 1, 2014 at 7:00 a.m. (the previous 8-day period shall no longer apply). The pay period for such employees shall remain the same

B. Employees called in to work outside their regular shift shall be paid a minimum of 4 hours overtime at the rate of one and one-half (1½) times their normal rate. Any employee called in or required to work prior to or after his regular shift, but annexed consecutively to one end or another thereof, shall be paid at the rate of one and one-half times (1½) his regular rate of pay only for the time worked, but in no event less than one (1) hour, and the aforesaid four (4) hour minimum provision shall not apply. Nothing herein shall be construed to mean compounding of overtime. The Union shall be provided the names, companies and shifts of all employees called back within 3 days of the call back.

C. The Employer shall not vary or rearrange work schedules to avoid the payment of overtime, except for temporary changes in which case 5 days' notice will be given.

D. A protocol shall be drawn up by parties before February 1, 2012 setting out the governing rules for the Fire Department's Telestaff system, and the assignment and recording of overtime assignments. All call back and overtime assignments shall be distributed equitably between members of the bargaining unit, with equalization of the "overtime bucket" the desired result. Compensatory time shall be granted in lieu of overtime payment at the employee's request at the rate of one and one-half (1½) hours for each hour worked. The present policy shall remain in effect for the Officers' school and church services.

E. No employee will lose pay due to a shortening of the actual hours of work caused by the changing of clocks for the observance of Daylight Savings Time.

F. An employee whose actual hours of work are extended due to the changing of clocks for the return of Standard Time will be eligible for overtime pay for all work performed in excess of the regular work shift.

G. The Employer shall issue an MOP as annexed to this Agreement to apply current law to correctly implement the FLSA § 7(k) exemption to personnel who are assigned to the EMS Division. Any revisions to the MOP once adopted shall likewise be submitted to the Union for review and discussion. Publication and receipt of the MOP shall be verified following the procedures for Manual Releases set out in MOP 002.

H. Subject to the conditions agreed by side letter in negotiations in 2007, by agreement, the City Department of Human Resources (the "DHR") and the Civil Service Commission have the authority to amend the Classification Description for members who hold either (i) a Basic Life Support ("BLS") certificate; (ii) an Advanced Life Support ("ALS") Certification as Cardiac Rescue Technician ("CRT"), (iii) Emergency Medical Technician-1 ("EMT-1"), (iv) Emergency Medical Technician-P ("EMT-P"); or (v) Emergency Medical Dispatch ("EMD"), to require those members to continue to maintain their current level of certification (either BLS, ALS or EMD) as a condition of employment. Members subject to the condition to continue ALS or EMD certification shall be required to recertify or renew their MIEMSS certification, as they may voluntarily elect, either (i) on their own and at their own expense, or (ii) through on-site programs organized and offered by the Department. If an employee elects an on-site program, the employee shall be required to report in uniform, all costs associated with that program, preparation and training, shall be paid by the Employer, and the employee shall be credited with one day of additional paid leave as vacation for each day spent in such training and preparation.

Option 1: Compensatory time credit: Employees who take training at the City's training facility shall receive compensatory time credit in an amount equal to 1.5 times the number of hours in each training course with the expectation that employees choosing this option shall have the ability to earn 108 compensatory hours for the two year re-licensure period ($72 \text{ con-ed hours} \times 1.5 = \text{comp hours}$). It is understood that a course which is scheduled for a set number of credit hours (e.g., six hours) shall be worth nine hours of comp time credit whether the course takes the full amount of time (e.g., six hours) or a shorter period of time (e.g., four hours). A. Any employee who is discharged, reduced in pay or position, or suspended for more than thirty (30) days may contest the action either (i) by lodging an appeal with the Civil Service Commission under the official rules of the Commission; or (ii) by filing a grievance on the form that is referred to in Article 6, Paragraph H. of this Agreement. If the employee elects to file a grievance, it shall be initially at Step 4 of the Grievance Procedure in Article 6, Paragraph A of this Agreement, and it shall subsequently be processed by the Union through that grievance and arbitration procedure. The Union may advance the employee's grievance to arbitration if in its discretion the Union finds arbitration to be appropriate, and the employee shall be bound by the Union's decision whether or not to arbitrate. The issue presented, which may be decided by an arbitrator, shall be whether, consistent with the provisions of the MERO, Section 3-2(3)(i), the discipline issued by the Employer was for just cause, and, if not, what shall be the remedy. The Arbitrator's decision shall be final and binding on the City, the Union and on the employee(s) affected.

B. Any employee who, as discipline, is suspended for five (5) or more days, but less than thirty-one (31) days shall be permitted to grieve such discipline by filing a grievance on the form that is referred to in Article 6, Paragraph H. of this Agreement. If the employee elects to file a grievance, it shall be filed initially at Step 3 of the Grievance Procedure in Article 6, Paragraph A. of this Agreement, and it shall subsequently be processed by the Union through that grievance and arbitration procedure. An employee who is charged with a disciplinary infraction shall be entitled to a due process hearing before the appropriate level Referral Officer before such Officer shall recommend any disciplinary adjudication of the charge. The Referral Officer's recommended adjudication of a charge shall not be altered or modified to result in an increased penalty before the final adjudication without a rehearing of the charge at the Review Officer or Administrative Hearing Officer level. When an employee is to appear before the Administrative Hearing Officer for a suspension, the hearing is to be conducted within twenty-nine (29) calendar days of the referral except when the employee is unavailable. The Employer shall not drop or suspend health insurance and pension coverage, or its contribution to the cost of such coverage, for

Final adjudication of the charges shall be as prescribed and approved by the Chief of Fire Department. The employee shall have the right to grieve or to challenge discipline, but the filing of a grievance shall not relieve the penalty prescribed.

D. All other penalties and punishments, including suspension for 30 days or less, shall be as prescribed by the Trial Board and approved by the Chief of Fire Department, subject to the right of the employee to grieve that action as set forth in Article 12, Paragraph B, above. G. During the pendency of a charge against an employee, any additional charge shall require an additional hearing.

H. Any employee of the Fire Department who is subjected to a suspension of thirty (30) days or less may at his/her discretion forfeit a like number of days from his/her vacation bank in lieu of the suspension; provided, however, that at no time may the Employer require any employee to forfeit vacation time as discipline. The choice to use vacation time instead of serving a suspension, without pay, shall be made solely by the employee affected. The Fire Department shall advise the Union when an employee who is subjected to a suspension elects, instead, to forfeit vacation time.

I. An employee's opportunity to receive callbacks shall not be withheld while a suspension is pending, but not yet served.

J. The Employer shall continue MOP 336 in effect, or as modified as mutually agreed by Fire Department and the Union; and it shall follow all terms of the MOP relating to preconditions to testing, aftercare and confidentiality. The Fire Department shall not administratively issue its own aftercare agreements for violations of MOP 336, aftercare agreements are only to be issued by the Mercy/PSI for proper cause under the MOP.

K. The Employer shall issue an MOP that states: "All Union employees of the Department shall be entitled to request a Union representative to attend any interview, investigation, hearing or other proceeding that may result in discipline."

L. Should an investigatory interview be audio or video recorded, the Union and the Employer shall each be given a copy of the same recording.

M. Effective on and after January 1, 2014, for all personnel assigned to a 47-hour work schedule on a 24-hour basis, when an employee is to be suspended for a period of one or more "days," those "days" shall refer to a 12 hour period of time.

N. Upon the effective date of this Agreement, all prior DriveCam reports and discipline shall be expunged and restarted, except the DriveCam reports and discipline for employees with five (5) occurrences shall be expunged and restarted and the next offense for such employees shall be a Penalty of \$100.00. In the event that the City by virtue of collective bargaining for a Memorandum of Understanding for Fiscal Year 2000, except as a result of any binding arbitration required for the Baltimore City Police by legislation or charter amendment, grants an increase in wages, salaries, benefits or any component of total annual salary for Fiscal Year 2000 to Unit II of the Fraternal Order of Police, and the total value of that increase exceeds the total value of the increase in wages, salaries, benefits and any other component of total annual salary given to the Union's bargaining unit for Fiscal Year 2000 the Employer agrees to grant an equivalent additional increase in Fiscal Year 2000 to all employees in the Union's bargaining unit.

2. In bargaining for a Memorandum of Understanding for Fiscal Year 2002 the Employer and the Union have considered the value of benefits, hours of work, work assignments, etc., as between respective Fire and Police bargaining units. By mutual consent, they agree that these values were considered, and, as a consequence, there shall be no Article 13.B. "parity" clause for Fiscal Years 2002 and 2003. In reaching their present agreement for Fiscal Years 2002 and

2003, neither the Employer nor the Union waives the right to bargain over parity in future fiscal years.

When the total annual salary for Fiscal Year 2002 for each employee who is covered by this Agreement is determined, the added three and one-half percent (3.5%) increase that is due under Article 13, Sec. A.1. shall be computed only after the total annual salary for Fiscal Year 2001 is first adjusted to reflect the added 4% wage increase that should have been applied but was not in Fiscal Year 2001 under Article 13, Sec. B. of the Memorandum of Understanding for that year.

5. On or before September 18, 2001, the back wages of each employee who was covered by the predecessor Agreement to this Agreement, the Memorandum of Understanding for Fiscal Year 2001 (under Article 13, Sec. B. of that Memorandum of Understanding for Fiscal Year 2001), shall be paid in a lump sum. This shall include all employees on the payroll during FY 2001 who has retired or who has separated from employment for any other reason. The back wages due shall be computed by multiplying the employee's total wage earnings (from all sources, including overtime earnings, etc.) for Fiscal Year 2001, from July 1, 2000 through June 30, 2001, by a factor of 4.0%, the product of which shall be the amount owed. If any wages that are due as of July 1, 2001 are unpaid as of September 18, 2001, then the Employer shall pay to each employee interest at the prime rate published for the Baltimore Metropolitan area on all such sums due but not paid, with interest payable on sums unpaid beginning July 1, 2000. The Employer shall meet with the Union, and it shall provide all information needed by the Union, to enable the Union to timely audit the Employer's compliance with its obligations under this Article.

6. For purposes of wage and service credit under the Fire and Police Employees Retirement System, the total annual salary of each employee shall be adjusted retroactively to July 1, 2000, to reflect the additional 4.0% wage increase due to each employee (past and present) who was covered under Art. 13, Sec. B. of the Memorandum of Understanding for Fiscal Year 2001.

D. All remuneration due to or elected by an employee shall be based on the date on which the employee's anniversary or promotion date falls within the pay period. In the event that the employee's anniversary or promotion date falls within the first half of the pay period, the employee shall receive the payment for the entire pay period. If the anniversary or promotion date falls within the second half of the pay period, the payment shall be made as of the next succeeding pay period.

E. When an employee covered by this Agreement is promoted to a higher position, he shall receive the base pay for the higher position in accordance with the City's actual policy governing salary and promotions as of February 29, 1988.

F. In order to compute the hourly rate for fire suppression or other Group System employee working on a 42-hour schedule, the employee's total annual salary shall be divided by 2,190. Payment of the adjustment(s) (e.g, promotions, longevity, step/level adjustments, transfers), but excluding reclassifications by DHR and disputed pay issues, shall be made on the pay date for the corresponding payroll period.

H. If the Employer is aware of a delay or error in its implementation or payment of any adjustments, it shall timely notify the employee(s) affected, and the Union. If the Employer shall fail to pay an adjustment to wages and/or and adjustment to base salary within sixty days after the effective date of the adjustment that is due, the failure to pay may be grieved, and if the grievance is advanced to arbitration, the Union may request that interest be awarded on the unpaid balance until the sums due to the employee are paid in full.

When the terms of Joint Addendum are in conflict with any term or condition of this Agreement, the terms of Joint Addendum I shall supersede and prevail over that other language. Paragraphs 10 and 11 of Joint Addendum are deemed to no longer be in effect.

K. Notwithstanding anything to the contrary in this Article 15, the protocol set forth in Joint Addendum I regarding disagreements between the employee's attending physician(s) and the physician employed by the Fire Department as to whether the nature or extent of a non-line of duty illness or injury renders an employee unable to perform his or her duties and return to work shall, upon the effective date of this Agreement, also be applicable to disagreements between the employee's attending physician(s) and the physician employed by the Fire Department solely over the employee's ability to return to work from Line of Duty illnesses and injuries.

Should a background check result in the disclosure of a misdemeanor conviction, that conviction shall not in itself, be sufficient reason to deny a promotion, but the employee may be disciplined for failure to report, and, if for just cause, for the underlying offense. An authorization for a criminal background check shall not be continuing, but, instead, it shall be a condition of promotion and expire by its terms within ninety (90) days after it is given by an employee to the Employer.

First, should an employee who formerly was employed by the Fire Department return to the service of the Department after a break in service due to an injury or illness causing disability, all time which intervened shall be counted in the employee's favor as if the employee lost no time away from work. Second, should an employee return to the Department after having resigned from City service or voluntarily transferred from Fire Department service for more than 6 months, his or her seniority shall begin anew; if less than 6 months, then the employee shall regain previous service time.

b. In the event that a reduction in force results in the need for a redistribution of employees from superior ranks to lesser ranks, such reductions in rank shall be accomplished by reducing in rank those employees with the least tenure in the affected rank, counting from the employee's date of promotion.

c. An employee who is laid off shall be paid for all accrued but unused leave time, including vacation holiday and retirement leave (Employee must be eligible for Service Retirement), based on the employee's total annual salary as of the date of separation.

The Reemployment List(s) shall remain in effect for 24 months after the date of a layoff (unless extended by the Department of Human Resources) and shall be used to offer employment opportunities that may become available by seniority to all persons who have been reduced or laid off, before any employees are promoted from one rank to another or any persons are hired or transferred (from other City agencies) to become new employees of the Fire Department. separation or retirement from service, shall be allowed to liquidate (i.e., "cash-in") a maximum of fifty (50) days of accrued leave (meaning 50 days of vacation, personal leave and holidays in the aggregate). In all other respects, regulations pertaining to vacation and other leave shall remain the same. Regulations pertaining to vacation under MOP 366-2, MOP 366-5, and any other related MOP(s) shall be changed to reflect this limitation on cashing in vacation upon termination for those hired after July 1, 2016.

Q. The existing Joint Labor-Management Committee shall be continued for the purpose of addressing any problems or concerns, which arise from the implementation of this policy.

The Committee shall consist of six (6) persons, two (2) of whom shall be appointed by the Fire Department from its management staff and 2 each from each of the Local Unions, each person so appointed having equal right to participation in the Committee's affairs. The Committee shall have the authority to recommend to the parties any change, which might be viewed as necessary to improve the work schedule, granting each party the right to review any such recommendation. The Committee shall conduct its first meeting after the beginning of the contract year in the first week of October 1992, and thereafter with such frequency as its members believe is necessary to the best interest of the Department and its members.

ARTICLE 31: OTHER LEAVE

A. Injury and/or Sick Leave (Non-Line of Duty)

No deduction shall be made in the salaries of employees of the bargaining unit on account of non-line of duty illness or injury; provided such sickness does not last longer than 6 months; and provided further that if employees shall absent themselves from duty on account of non-line of duty illness or injury they shall, before receiving their salary, present or have presented to the unit officer of the company of which they are members, a certificate from the physician employed by the Fire Department, stating that on account of the employee's illness or injury, they are unable to perform their duties.

B. Injury and/or Sick leave (Line of Duty)

Members of the Department, receiving injury or becoming disabled while in the discharge of duties, so as to prevent them from following their daily occupation or attending to their duties as a member of said Department, such members shall, for the space of twelve (12) months, provided their disability shall last that time, receive their usual salary.

Employees shall be entitled to receive no Workers' Compensation benefits for temporary total disability during the time, or covering the period, that said employees are receiving their full-salary job injury leave as outlined above.

C. Catastrophic Injury or Illness

In addition to leave available in Sections A and B above, should a permanent full-time employee covered by this Agreement sustain a catastrophic injury or illness, and complete medical recovery is reasonably anticipated; but, return to full regular duty requires additional recovery/rehabilitation time, he or she will be allowed to use twelve weeks of accrued leave time as Family and Medical Leave for a serious health condition provided the following conditions are met: The reasonable prognosis of complete recovery within twelve weeks referred to in this section C, must be certified by a physician licensed in the State of Maryland.

D. Family and Medical Leave

1. Use of accrued leave as provided in this Article does not modify the combination of types of leave specified in the City of Baltimore Administrative Manual, AM 203-2 Family and Medical Leave. Use of Family and Medical Leave under the provisions of this section is limited to the twelve (12) week per twelve (12) month entitlement of the Family and Medical Leave Act of 1993("FMLA") and the Employee Eligibility criteria specified in AM 203-2.

2. The Employer shall continue to follow its paid leave practices for line of duty and non-line of duty leave in the event of illness or injury. When an employee is out of work for an illness or injury that qualifies for the FMLA, that leave shall be counted toward an employee's twelve (12) weeks of FMLA coverage, and he/she shall be notified that the FMLA shall be applied to the absence. In the event of other absence covered by the FMLA, e.g. for child care or parental leave, then such absences shall be charged against the employee's vacation leave accrual, if any remains, but the employee shall not forfeit any first choice opportunities for such leave. In the event that an employee exhausts the twelve (12) week FMLS coverage, in the absence of leave abuse, the Employer shall give due consideration for requests for extended leave to avoid hardship or loss of employment.

E. Retirement Leave

All employees of the bargaining unit shall receive ninety (90) day leave with pay just prior to retirement.

F. Union Leave

With prior approval of the Chief of the Department, employees may be granted Union Leave without loss of pay to attend scheduled conferences, seminars, meetings and conventions. The total amount of this leave available during the term of this Agreement is equal to 155 days per year. Up to 155 days of Union Leave that is unused may be carried over from one fiscal year to the next, and it shall be available for use in addition to the 155 days that shall be allotted for the new fiscal year.

Subject to approval by the Chief of Fire Department, an employee with accumulated vacation days may transfer up to two (2) vacation days per calendar per to another employee who is experiencing a personal hardship, providing the following conditions are met:

1. The recipient has exhausted all of his or her accrued leave including vacation and personal leave.
2. The transfer of vacation days pursuant to this program is strictly a voluntary donation. Vacation days may not be transferred in exchange for cash or other remuneration.
3. The recipient must be experiencing a hardship for which the transfer of days would provide relief.
4. All days transferred pursuant to this program are irrevocable transfers.
5. An employee may receive no more than thirty (30) transferred days if they are a day-work employee or twenty-eight (28) transferred days if they are a shift work employee.
6. Use of donated days by an employee on suspension or termination is not permitted.

ARTICLE 32: PENSION COMMITTEE

The parties agree that the present joint committee to review the existing pension system will continue. Union representation for the joint committee shall be composed of six representatives, two each, from and appointed by the following bargaining agents: IAFF Local 734, IAFF Local 964 and Fraternal Order of Police ("FOP"). It shall be permitted to recommend appropriate pension changes during the term of this Agreement.

ARTICLE 33: PRINTING

The cost of printing a sufficient number of copies of this Agreement for distribution to members of the bargaining unit and the Employer representatives shall be shared equally by the parties and the printing shall be by Union shop as selected by the Union. IAFF Local 964 shall be provided with a PDF copy of the signed and adopted Agreement with all addenda and attachments.

ARTICLE 34: SEVERABILITY

A. Should any Article or part of any Article of this Agreement be declared by a Court of competent jurisdiction to be invalid or unconstitutional, the remainder of this Agreement shall not thereby be invalidated but shall remain in full force and effect to the same end and effect as if such invalid portion had not been included. In such event, the parties agree that at the request of either of them, negotiations will be commenced for a mutually agreeable replacement provision.

B. If, as a condition for receipt by the City of state or federal grant-in-aid funds or other state or federal allotments of money, a provision of the Memorandum is required by the awarding agency to be deleted or modified, the parties shall promptly meet to discuss compliance with such condition and the adoption of substitute contractual provisions to preserve and protect the rights and privileges of the parties as intended by the provision required to be deleted or modified.

ARTICLE 35: WORK RULES

Each employee who is covered by this Agreement shall be given ten (10) days notice in advance of any change in assignment or of any Departmental decision to change an employee's shift (including vacation numbers). Any decision to change an employee's shift will be based, first, on unit seniority on the shift involved, and then on battalion seniority on the shift involved, unless the Department can demonstrate unusual and unforeseen circumstances.

ARTICLE 36: TERMINATION, CHANGE OR AMENDMENT

A. This Agreement shall become effective July 1, 2017 and remain in full force and effect until June 30, 2020. It shall automatically be renewed from year to year thereafter unless either party shall give to the other party written notice of a desire to terminate, modify or amend this Memorandum of Understanding. Such notice shall be given the other party in writing by certified mail no later than January 1, 2020. The provisions of Section 8.F.1 shall remain in effect after the expiration of the remainder of this Agreement.

B. If a substantial and material change occurs in the fiscal status of the City of Baltimore's General Fund subsequent to the formation of the current Interest Arbitration Award or Memorandum of Understanding, then in such event the Mayor may require the reopening of the Interest Arbitration Award or Memorandum of Understanding, as to wages only, upon 20-days written notice to the other party. The Mayor's notice shall be noted in the minutes of the Board of Estimates. Should the parties fail to reach an agreement regarding a change in wages by negotiation, within 20 days following the commencement of negotiation, the parties shall submit the wage adjustment issue to binding interest arbitration, consistent with the procedures set forth in Baltimore City Charter (As Last Amended by Ch. 624, Acts of 2013), Article II, Section 55(b).

The neutral member of the Board of Arbitration shall be a member of the National Academy of Arbitrators.

The issue submitted to the Board of Arbitration will be whether the Arbitration Award or Memorandum of Understanding must be modified in light of substantial and material changed fiscal circumstances in the City of Baltimore's General Fund which could not reasonably have been expected at the time of the interest arbitration or prior negotiation. The Board of Arbitration shall have the authority to modify the wage component of the Award or Memorandum of Understanding based upon the final and last positions taken by the parties. Any such modification shall only be prospective. The decision of the Board of Arbitration shall be rendered within 30 days of the commencement of the hearing.

TRANSITION HEALTH AND PRESCRIPTION DRUG PLAN AGREEMENT

This Transition Agreement is made by and between the City of Baltimore (the "City") and the employee organizations designated as exclusive representatives of City employees in bargaining units certified under the Municipal Employee Relations Ordinance, including CUB, AFSCME, FOP, IAFF, and also including MAPS¹ (the "Unions") (hereinafter referred to as the "Agreement").

WHEREAS, the City and the Unions entered into a Health and Prescription Drug Plan Agreement which was adopted by the Board of Estimates on November 7, 2012 (the "2012 Agreement"); and

WHEREAS, pursuant to Paragraph 14 of the 2012 Agreement, the 2012 Agreement was included as an attachment to each of the Unions' respective collective bargaining agreements (viz. Memorandum of Understanding) to begin with Fiscal Year 2013; and

WHEREAS, the 2012 Agreement is expiring in 2016 for each of the signatory Unions, and the City and the Unions desire to continue to address health and prescription drug benefits on a City-wide basis with an agreement to succeed the 2012 Agreement through December 31, 2017;

IT IS HEREBY AGREED by and between the parties hereto:

1. Health Insurance Committee Meetings and Activities. The Health Insurance Committee ("HIC") that was re-established under Paragraph 9 of the 2012 Agreement shall continue in effect as follows:

a. The HIC shall be composed of equal numbers of Union and City representatives. Each Union and MAPS shall appoint one representative to the HIC, and the City shall designate representatives from the Office of the Labor Commissioner, the Department of Human Resources (including the Division of Employee Benefits), the Department of Finance, and the Office of Mayor. The parties' representatives may designate professional consultants to attend the meetings and participate in the business of the HIC. Should the Unions choose to have a consultant participate in HIC meetings, they shall choose a joint consultant.

b. The HIC shall meet no less frequently than one time each calendar quarter beginning in the month of January to discuss cost containment, efficiencies, wellness, and other relevant issues, to review data for each plan for active employees and other relevant information, as raised or requested by the Unions or the City, or their respective consultants.

¹ The City's obligation to MAPS is to "meet and confer." Consistent with the parties' practice under the preceding Health and Prescription Drug Plan Agreement, MAPS was invited to participate in the discussions regarding this Agreement. Nothing in this Agreement should be construed as modifying MAPS' status under the Municipal Employees Relations Ordinance or in any way creating a duty to bargain with MAPS.

c. The City shall continue to provide the Unions' consultant with the same or similar quarterly information that it has been providing to date. In the event that the Unions' consultant requests to meet and confer with the City's representatives, or requests information related to the City's plans, the City shall respond to such requests within a reasonable period of time (and where the response is a denial of the Unions' request, the City shall provide the reason for such denial). No data or documents may be unreasonably withheld nor may any communication be unreasonably delayed. Any complaints regarding the content or timing of the City's response, if not resolved directly between the consultants or between the Unions' consultant and the involved City representative, shall be brought to the attention of the Labor Commissioner who shall attempt to resolve the issue promptly. Access to data and documents available under this Agreement shall be in addition to any rights or remedies conferred under the State's Public Information Act.

d. One of the aforementioned quarterly HIC meetings shall be used to discuss each health insurance provider's Annual Provider Report as set forth in Paragraph 2 below. The consultants designated by the Unions and the City may be required to attend the HIC meeting(s) concerning the Annual Provider Reports.

2. Annual Provider Reports. Each health insurance plan provider engaged by the City shall provide the City with an "Annual Provider Report" which shall include, for the prior plan year, data relating to enrollment, claims (including data regarding claims exceeding \$75,000), administrative costs, utilization trends, any surplus or deficit for the prior plan year, and other relevant information about the plan. The City shall provide the Annual Provider Reports to the Unions and their consultant promptly after receiving the reports from the providers but in any event no later than June 15.

3. 2017 and 2018 Plan Years Premiums/Premium Equivalents. Subsequent to receiving from its consultant the projected premiums and/or premium equivalent rates for the 2017 and 2018 plan years, the City shall provide the Unions with a report containing the projected premiums and/or premium equivalent rates for each plan (including both self-insured and fully-insured plans) proposed for each of those plan years, with supporting data. Should the Unions or the Unions' consultant wish to confer with the City's consultant concerning the proposed rates, the Unions shall request such meeting(s) in writing no later than 15 days following the disclosure of the proposed rates. Such meeting(s) shall be held prior to the submission of the proposed rates to the Board of Estimates. The City shall consider and respond to the Unions' positions (and those of the Unions' consultants) at least one week before submission of the proposed rates to the Board of Estimates.

4. Current Plans and Cost Sharing. The plan of benefits for each of the City's plans (as published in the City of Baltimore 2016 Benefits Guide) shall remain unchanged for plan years 2016 and 2017. The current statement of benefits is attached hereto as Exhibit A. The current employee/employer split in percentage of premium rates shall remain unchanged for plan (calendar) years 2016 and 2017.

5. Requests for Proposals.

a. It is understood that the City intends to issue Request(s) for Proposals ("RFPs") for some or all of its plans for plan year 2018, through which the City may solicit proposals from current and/or other health insurance providers, as appropriate and consistent with the City's Charter. Before issuing any RFP, the City shall engage in meaningful discussions with the Unions and their benefits consultant between April 1, 2016 and January 31, 2017 about which health insurance benefit programs, benefit options, providers, pricing and methods of delivery are in the best interests of the City and all benefit plan participants. In entering into these discussions, the City does not waive its Charter prerogatives to determine providers and pricing.

b. In addition to the discussions that are described in Paragraph 5.a., above, no less than 45 days before the release of any RFPs, the City shall notify the Unions of the proposed health insurance benefit options and plan structure(s) to be included in the RFP(s). After the Unions have been provided with this information, there shall be at least one HIC meeting at which the Unions shall have a meaningful opportunity to review and discuss with the City the RFP, and to propose changes to the proposed RFP(s) to which the City shall give meaningful consideration and response at least 5 days prior to issuance of each RFP.

c. After the City has received and reviewed the response(s) to an RFP, should the City decide that it wishes to add or eliminate a particular health insurance provider, the City shall so advise the Unions and provide the reasons for its desire to make such a change (e.g., because of proposed premium increases, service to participants, lack of participation in a given plan, efficiency through consolidation, etc.) at least 30 days before such action is recommended to the Board of Estimates. The Unions and the Unions' consultant shall have a meaningful opportunity to discuss within the HIC any such proposed changes before the changes are implemented by the City.

d. The parties shall be reasonable in exercising their rights under this Paragraph 5 and shall not impair or cause any unreasonable delay to the procurement of new health and prescription drug benefits.

e. In any event, all health and prescription benefit procurements shall be subject and subordinate to Article VI of the City Charter, and the sole authority of the Board of Estimates and the Director of Finance in that process.

6. Surplus from Self-Insured Plans.

a. Following the close of each plan years 2016 and 2017, the City shall furnish the plan operating gain/loss statement for each self-insured plan to the Unions through their designated consultant. The plan operating gain/loss statement shall account for premiums collected on behalf of the plan for the benefit year as compared to expenditures for the plan. Expenditures shall include but not be limited to, estimated incurred claims, premiums paid, administrative, network and other fees, and any taxes.

b. In the event that for any plan a surplus results from the difference between premiums and payments received from covered employees in excess of plan expenses in the aggregate for all health and prescription drug plans (i.e., taking into account any variance (positive or negative) in all plans), the appropriate application of any year-end surplus shall be discussed between the City and the Unions to determine what amount, if any, shall be refunded to currently enrolled active employees and/or retained to fund the City's self-insured health insurance plans, including maintaining proper current and/or OPEB reserves. Surplus funds may not be applied by the City for any other purpose than the City's medical insurance plans or OPEB liability.

c. Surplus (between premiums collected and payments disbursed) attributable to currently enrolled active employees may not be used to offset the City's OPEB liability or applied to support the City's OPEB Trust without full and complete disclosure in advance to the HIC.

d. In no event shall any refund from any year-end surplus (as defined herein) exceed the portion of such surplus attributable to active employee premiums.

7. Future Agreements. It is the intent of the parties to enter into negotiations for a successor to this transitional Agreement following the completion of the RFP process referenced in Paragraph 5 above.

8. Resolution of Dispute over Results from Prior Years.

There exists a difference of opinion between the Unions and the City as to the appropriate resolution of the year-end surplus for Plan Years 2014 and 2015, however, all claims and disputes between the Unions and the City with respect to year-end surplus (as defined in Paragraph 6, above) or the use thereof for Plan Years 2014 and 2015 are waived, released, concluded and resolved under this Agreement in this manner:

a. The City shall release the final CareFirst year-end retrospective settlement for plan year 2015 to the Unions' benefits consultant on or before March 15, 2016.

b. The City shall grant one premium holiday to all current CareFirst active employee plan participants, meaning that the City shall not demand payment or payroll deduct premiums in the amount of 1/26th of the annual premium for each employee. Such premium holiday shall occur on the first pay period of June, 2016.

c. These terms are without precedent and without prejudice to any claims or defenses asserted by the parties with respect to future plan years.

9. Attachment to Individual Union MOUs. This Agreement (including referenced attachments) shall be included as an attachment to each Union's MOU.

10. Disputes: All disputes about the application or interpretation of the terms of this Agreement shall first be presented in writing to the HIC, and absent agreement, shall be referred,

collectively by the participating employee organizations that are exclusive representatives under the Municipal Employee Relations Ordinance, and/or the City, for decision by a neutral arbitrator who is a member of the National Academy of Arbitrators using the administrative processes of the American Arbitration Association. The fees and costs of the Association and of the selected neutral arbitrator shall be shared equally between the two parties.

11. Notice: For all purposes, notice to the Unions shall be sufficient if given to the Unions and to the City of Baltimore through correspondence in writing addressed to the Office of the Labor Commissioner

12. Term: This Agreement shall remain in effect through December 31, 2017, except for those provisions which expressly refer to events occurring after that date (e.g., Paragraphs 5 and 6).

ADDENDUM I: NON-LINE OF DUTY ILLNESS

JOINT ADDENDUM TO
MEMORANDA OF UNDERSTANDING
Between
Baltimore Fire Officers, Local 964, IAFF,
Baltimore Fire Fighters, Local 734, IAFF,
And the Mayor and City Council of Baltimore

This Agreement is made between Baltimore Fire Officers, Local 964, IAFF and Baltimore Fire Fighters, Local 734, IAFF (the "Fire Unions") and the Baltimore City Fire Department ("BCFD") about the proper interpretation and application of Baltimore City Code (2010) Article 9, § 6-1, BCFD MOP 366-1, and Article 31, ¶¶ A, C and E of the Memorandum of Understanding for FY10 and FY11 for each of the Fire Unions' bargaining units. To clarify and amend the terms and conditions that shall apply to Injury and Sick Leave (Non-Line of Duty), Catastrophic Injury or Illness, and Retirement Leave, the Fire Unions, BCFD and the Mayor and City Council agree as follows:

Non-Line of Duty Illness and/or Injury.

1. Baltimore City Code (2010) Article 9, § 6-1 and MOU Article 31, ¶ A shall continue in effect. No deduction shall be made in the salary of any employee on account of non-line of duty illness or injury, provided that such sickness does not last longer than 6 months, and provided further that if an employee is absent from duty on account of non-line of duty illness or injury he/she shall, before receiving his/her salary, present or have presented to the unit officer of the company of which he/she is a member a report from the physician employed by the Fire Department (the "PSI Visitation/Disposition Report") stating that the employee, on account of illness or injury, is unable to perform his or her duties.
2. There shall also be a Medical Review Report from the Public Safety Infirmary (the "PSI") which report shall be based on an examination of the employee and the employee's relevant medical records, and it shall identify the causes of and likely prognosis for the illness or injury that renders the employee unable to perform his or her duties. It shall be the obligation of the employee to appear for an examination and to authorize release of his/her pertinent medical records when so directed. Once completed, copies of the Medical Review Report shall be promptly delivered to the employee, and, if authorized by the employee, then a copy shall also be delivered to the Fire Union that is the employee's bargaining agent, and to BCFD, but, in no event shall delivery to any party occur later than 10 days after the date of the Report.
3. In the event of an initial disagreement between the employee's attending physician(s) and the physician employed by the Fire Department as to whether the nature or extent of a non-line of duty illness or injury renders an employee unable to perform his or her duties, such disagreement shall be referred to an independent third party physician who is board certified in occupational health. The referral shall be made to an agreed physician, jointly appointed on a continuing basis by the Fire Unions and BCFD, and it shall occur within 15 days after a disagreement as to the nature or extent of disability of the employee is evident, and, in any event, within 15 days after receipt of a Medical Review Report concerning the employee. There shall be no right to independent review if such referral for an independent evaluation is not requested within 15 days after delivery of the Medical Review Report to the member and/or the Union. The independent physician shall release a comprehensive report of the physician's opinion (the "Independent Opinion") about the employee's fitness for duty, applying the minimum qualifications necessary for the employee's occupational classification, and, as suitable, NPPA, MFRJ and MEMSS standards, within 20 days after examining the employee and review of the medical records that the physician deems relevant, which review shall include the Medical Review Report if one has been issued. Copies of the Independent Opinion shall be promptly delivered to employee, the Fire Union that is the employee's bargaining agent, if authorized, and to BCFD, but in no event, not more than

10 days after the date of the Opinion. The Opinion of the Independent physician shall be final and binding on the employee, the Fire Union that is the employee's bargaining agent, BCFD and the City of Baltimore to determine the employee's entitlement to paid leave under ¶ 1 and the employee's ability to return to work and when, and it shall not be subject to further dispute or appeal as to the employee's employment rights under the City Civil Service system or Union Memorandum of Understanding.

4. Once an employee completes 135 consecutive days of leave for a non-line of duty illness or injury, the Chief of Department may direct that employee to report for a fitness for duty examination by the physician employed by the Fire Department, the purpose of which shall be to determine whether it is reasonably foreseeable that the employee will be sufficiently fit to return to duty upon the expiration of the 6 month period of paid leave under ¶ 1 applying the minimum qualifications necessary for the employee's occupational classification, and, as suitable, NFPA, MFRJ and MIFMSS standards. The physician employed by the Fire Department (or the PSI) shall issue a report (the "Medical Review Report") as to whether or not the employee will be sufficiently fit to be able to return to duty before the employee completes 150 consecutive days of leave. Copies of the Medical Review Report shall be promptly distributed to employee, and if authorized by the employee then to the Fire Union that is the employee's bargaining agent, and to BCFD, but, in no event shall delivery to any party occur later than 10 days after the date of the Report.

5. Should the employee and his attending physician(s) disagree with the opinion and findings of the physician employed by the Fire Department given under ¶ 4 as to the employee's condition and/or the likelihood that the employee will be able to return to work, the employee and/or the employee's Fire Union may request review by the Independent physician jointly appointed and the procedure set out in ¶ 3 shall be followed to conclusively determine whether the employee will be able to return to work, or, alternatively, is permanently disabled and cannot return to work in the form of an Independent Opinion.

6. If it is finally determined in the Medical Review Report and/or Independent Opinion rendered under ¶¶ 2, 3, 4 and/or 5 that a complete recovery is reasonably anticipated but the employee's return to full regular duty requires additional recovery/rehabilitation time, the employee will be allowed to use for the purposes of this Agreement up to an additional 8 weeks of accrued leave as Catastrophic Leave paid time off to complete recuperation, to the extent that the employee has accrued the right to such leave. Upon return to work, leave expended by the employee to cover the additional recovery/rehabilitation time shall be deducted day for day from the employee's leave account. An employee who returns to work within the 6 month plus 8 week period shall suffer no loss in other leave or benefit, including retirement leave when the employee elects to retire. If, upon completion of the 6 month and 8 week Catastrophic Leave periods, an employee is unable to return to work due to a non-line of duty illness or injury, the employee's Catastrophic Leave of up to 8 weeks shall be converted into retirement leave, and the employee shall not be entitled to any further leave as his/her retirement leave shall be deemed exhausted.

7. If it is finally determined in the Medical Review Report and/or Independent Opinion rendered under ¶¶ 2, 3, 4 and/or 5 that a complete recovery is not reasonably anticipated and that the employee is not likely to sufficiently recover to be able to return to duty, upon exhaustion of the 6 month paid leave, the employee shall begin paid retirement leave of 60 days. Should the employee nonetheless actually return to duty before the 60 day retirement leave expires, the time expended by the employee to cover the additional recovery/rehabilitation, formerly as retirement leave, shall be deducted day for day from the employee's leave account, unless the employee had insufficient leave accrued, in which case leave that was not covered will be repaid by the employee to BCFD within two years subsequent to reinstatement.

8. Under no circumstances shall any employee be entitled to a total of more than 8 months leave with pay on account of a non-line of duty illness or injury; that is, the 6 month leave and then either

Catastrophic Leave in the event a return to work or 60 days as retirement leave immediately before separation from BCFD for a non-line of duty illness or injury. When an employee permanently leaves BCFD, he/she shall be paid by the City of Baltimore for any accrued paid leave remaining unused on the date of separation at the employee's rate of pay at the time of separation.

9. The cost of review by the independent third party physician shall be covered to the extent possible by the City Health Plan in which the employee is enrolled. The uncovered cost of an independent review shall be apportioned as follows. One, if the Independent Opinion concurs with the findings in the Medical Review Report that the employee is unable to return to work, the employee shall be responsible to cover the entire uninsured cost. Two, should the Independent Opinion disagree with the findings in the Medical Review Report and conclude, instead, that the employee is or will be able to return to work then BCFD and the employee shall equally share payment of the uncovered cost on a 50/50 basis.

Confirmation and Effective Date

10. This Joint Addendum shall become operative upon approval and ratification by the Office of the Labor Commissioner, the Fire Unions, the Chief of Department, BCFD and the City's Board of Estimates, and it shall remain in effect through Fiscal Year 2012. It shall be subject to negotiation for Fiscal Year 2013.

11. Once operative, the terms of this Joint Addendum shall be applied to any person who was subject to non-line of duty benefits on and after September 1, 2009. This Joint Addendum also shall apply to any member on restricted duty at present who was placed in such duty beginning in 2009, and who has asserted by physician's documentation the ability to return to full duty. Persons notified under this paragraph shall have 30 days from notification to elect review under this Joint Addendum.

ADDENDUM J: REORGANIZATION OF EMS

Statement of Labor Management Committee on the Reorganization of the BCFD EMS Division

(As Edited February 28, 2011
from Version Adopted August 5, 2009)

1. Mission Statement

The Labor Management Committee on the Reorganization of the Baltimore City Fire Department (BCFD) Emergency Medical Services (EMS) Division was formed in September 2008 out of a mutual interest on the part of both the management team of the BCFD and the two Firefighter Labor Unions to reorganize how emergency medical services are organized and delivered in Baltimore City. The contents of this document have been reached by consent between the BCFD, IAFF Local 734 and IAFF Local 964. The discussions that have taken place during committee meetings are to assist in the reorganization of the EMS Division.

The goal of the EMS Division of the BCFD is to provide timely, efficient and effective medical intervention and transport to patients in need of service within the City of Baltimore, delivered by professional Advanced Life Support (ALS) and Basic Life Support (BLS) staff who are adequately trained, certified and/or licensed by the State of Maryland. The EMS Division will be adequately supported, and will endeavor to recover revenue in order to sustain the high level of EMS care that Baltimore City residents and visitors enjoy.

2. Positions

The job classes of personnel assigned to the operational units within the EMS Division will consist of Emergency Medical Technician/Firefighters (EMT/FF), Firefighter Paramedic Apprentices (JPA), Paramedics and Firefighter/Paramedics.

Beginning with recruit classes 07-01, the position of EMT/FF shall be the entry level position for Fire Suppression Division, with the member to be trained by the BCFD in BLS functions and in Fire Suppression activities. The EMT/FF shall be (i) certified by Maryland Fire and Rescue Institute (MRFI) as a firefighter and (ii) certified by MIEMSS as an EMT-Basic, both of which must be maintained as a condition of employment. The probationary period for EMT/FF shall be one year from date of hire. When a probationary EMT/FF is assigned to a suppression company assigned to a critical alert medic unit, the member will ride as the third person on the medic unit and not be the primary care provider.

BCFD (and City DHR) shall, consistent with Article 19 of the Union MOUs, confer with the Fire Unions about the minimum qualifications and duties that are to be assigned to each job class within the EMS Division before a job class description is changed or newly adopted. The job class description for the new position of EMT/Firefighter is attached to this document as addendum "A".

In-grade placements for lateral hires shall be discussed with the Fire Unions before any change is implemented.

All candidates hired off a list of eligibles for assignment to any position within the Fire Department shall be fully trained in all skills necessary to competently and safely perform all duties expected of the candidates' job class before completion of the training program. Training shall be completed within the first six (6) months of hire. Probation for all employees shall be completed within twelve (12) months of hire.

Paramedic and Fire Fighter/Paramedic (or like positions as determined by the City DHR) shall be rated positions within the EMS Division. Entry into those positions shall require licensure as an ALS provider by MIEMSS and also successful completion of BCFD's firefighter training curriculum. The minimum qualifications adopted by the City DHR for the job class of Paramedic and of Fire Fighter/Paramedic shall require the member to be trained and licensed in Advanced Life Support (ALS) by MIEMSS, and fully trained in Fire Suppression Division duties satisfactory to Maryland Fire Rescue Institute (MFR) standards to engage in fire suppression work. Personnel assigned to the EMS Division may be required to perform fire suppression tasks on the fire ground.

As a condition of employment, all members of the EMS Division shall:

- (i) be trained to standard in ALS/BLS and Fire Suppression and maintain those qualifications and abilities;
- (ii) be responsible to engage in both ALS/BLS and Fire Suppression activities;
- (iii) be fully provisioned with first line fire suppression turnout gear including self-contained breathing apparatus (SCBA) on active units, annually certified to wear SCBA, and various other Fire Suppression tools and equipment; and,
- (iv) be subject to assignment to EMS and/or Fire Suppression units; and be subject to command and control by Fire Suppression Command Staff at the scene of fires and other emergency events.

3. Pension

The City shall continue to require as a condition of employment those items listed in §§ 3(i) through 3(iv), immediately above, for the purpose, among other things, of keeping EMS personnel exempt from FICA obligation and thereby eligible for participation in Fire and Police Employees' Retirement System of Baltimore City ("FPRS") under the present requirements of the FPRS.

4. Work Rules, Discipline and Scheduling

When members working on an EMS unit are not able to take a break due to the volume of emergency calls, units shall be granted a paid off duty lunch break of approximately 30 minutes for the purpose of eating, as well as other reasonable breaks for personal convenience and

hygiene during each shift. These break periods will be managed by the EMS Battalion Chief so that they are reasonably staggered during the shift to have the least impact on service delivery.

Consistent with management's reserved rights and with their mutual obligations under the Municipal Employee Relations Ordinance, BCFD and the Fire Unions shall work cooperatively to develop operational protocols and work rules for the EMS Division. BCFD shall train its EMS managers to apply reasonable, consistent and progressive discipline to members of the EMS Division. Consistent with good human resources practices, the intent of the BCFD EMS Division disciplinary process is to improve the performance of its members for the benefit of the public.

The EMS Division shall continue to be assigned to the 10 hour day shift and 14 hour night shift 42-hour work schedule under Article 8 of the Local 734 MOU. Beginning July 8, 2009, all members of the EMS Division will not be considered as FLSA § 7(k) exempt and each member will be compensated accordingly.

A separate, posted "staggered" relief schedule may be implemented for the operational units of the EMS Division, but only upon agreement between BCFD and the Fire Unions. Labor and Management agree to discuss various scheduling and relief schedules for personnel assigned to field units within the EMS Division, with the primary goals of increased efficiency, improved customer service and minimizing the impact on fire suppression forces.

5. Downgrade from ALS Licensure to BLS Certification

Any member promoted to a "rated" position (Pump Operator, Emergency Vehicle Driver, Fire Lieutenant, Fire Captain, Fire Battalion Chief or Emergency Boat Operator) that was posted after July 1, 2007 who holds certification as a CRT or an EMT-P will not be allowed to reduce to EMT-B.¹

Non-rated members holding licensure as a CRT or EMT-P who are not in the EMS Division will be permitted to reduce to the EMT-B job class subject to the requirement that the Department must maintain a minimum of 500 ALS providers. Requests to downgrade shall be honored in order of length of service (based upon original ALS certification date or hiring date, whichever is later) of the respective members within BCFD.

In order for an ALS provider to reduce, a BLS position must be open and available. Every sworn member of the BCFD who is not an ALS provider will be required to be minimally certified as an EMT-B by July 1, 2011. All members who reduce from ALS to BLS will forfeit any future ALS stipends or premium pay due them under the labor agreements effective from the date of such reduction. Members who elect to downgrade, and who are permitted to downgrade, may be required to accept temporary assignments (for one shift or less) to staff a medic or ambulance unit as a BLS provider as authorized under the Critical Alert protocol. Members who are

¹ Pursuant to the arbitration decision of March 2, 2008, rated members who promoted to a position that was posted before July 1, 2007 can downgrade upon submission of a Special Report requesting the downgrade.

permitted to downgrade will be obligated to maintain their ALS license through the end of the current term of their MDEMSS ALS license.

6. Implementation

Effective after July 8, 2009, to the extent funded and operational, BCFD shall require all sworn personnel who are newly hired to fill a position within the EMS Division (Lateral Entry ALS personnel) to successfully pass a physical ability test. The physical standard requirement shall be the same for both lateral hires and EMT/FF.

All candidates also shall be expected to satisfy the requirements of NFPA 1582 as a condition of employment prior to hire, including no use of tobacco products while on duty.

The job classification of FPA shall be frozen, with no new candidates admitted to that classification. Only members assigned to FPA Classes 1 – 19 may occupy this job classification. Members hired in the classification of Firefighter Paramedic Apprentice shall be required to obtain their Maryland ALS licensure.

7. Oversight

The EMS Committee shall continue to meet periodically to review implementation of these terms, and to evaluate the impact of changes implemented, including EMD procedures, response time(s), patient care and effects on quality of service and working conditions. No term or condition of employment may be altered without the consent of the parties.

ADDENDUM K: GENERAL ORDER ON OVERTIME

BALTIMORE CITY FIRE DEPARTMENT

GENERAL ORDER NO. 46-07 REVISED (p. 1 of 3)

July 21, 2009

Subject: Overtime Pay For Members Assigned To The EMS Division

Policy Statement:

Beginning July 8, 2009, all sworn members of the Baltimore City Fire Department who are assigned to the Emergency Medical Services Division and working as field providers on EMS units will receive overtime pay for hours worked in excess of 40 hours per week. EMS officers working in the field and members assigned to suppression units who are on 1800 hour details are included. These members will continue to perform firefighter duties when necessary, but their primary job will be to staff field EMS units.

For purposes of the calculation of overtime, this calendar week began at 1700 hours on July 7, 2009 and will continue to begin each Tuesday afternoon at 1700 hours and will end on each Tuesday afternoon the following week at 1659 hours.

The current labor agreement with the unions outlines an annual rate of pay for an average of 42 hours per week, or 2190 hours per year. For purposes of calculating overtime, the annual pay rate for each member will be determined by dividing the annual pay rate outlined in the various labor agreements by 2190 hours to arrive at the hourly base pay rate.

The current labor agreement base pay rates are based on an average of forty-two (42) hours per week of work. Under this policy, each member will be paid an additional ½ hour of pay for the forty-first (41st) and forty-second (42nd) hour worked during each calendar week. Overtime worked in excess of 42 hours in each calendar week will be compensated at one and one-half times the normal hourly rate.

Example: Assumes the 42 hour average work week and base pay of \$30 per hour.

Hours	Type of Pay	Base Pay	Overtime
1-40	Base pay	40 x \$30 = \$1,200	
41-42	Base pay + half-time	2 x \$30 = 60	2 x \$15 = \$ 30
43-48	Time and a-half		6 x \$45 = 270
Total		\$1,260	\$300

For example, if a qualified member works a total of 48 hours in a calendar week, the member will be due an extra one hour of base pay for the first two hours of work and 1 ½ times base pay for the additional six hours over forty two hours. If the member's normal pay rate is \$30.00 per hour, this works out to an extra \$15.00 an hour (or half-pay) for each of the first two hours and \$45.00 an hour (or time plus one-half) for each of the remaining six hours, or a total of \$300 in overtime pay for that week.

In order to be qualified for overtime pay, all hours must be actually worked. Various types of leave (vacation, sick, compensatory time, etc.) are disqualifying hours for purposes of overtime eligibility. Members assigned to suppression units and continuously detailed to the EMS division in excess of and including one complete payroll period (14 calendar days) also qualify for overtime under this policy as long as all the provisions of this policy are otherwise met.

(continued)

Procedure Statement

In order to record the overtime hours for FLSA that were worked based on the Policy Statement above each person's time worked must be reviewed by the payroll supervisor each pay period to determine the number for eligible overtime hours based on the person's scheduled work shift. The scheduled work shift starting and ending point changes each pay period due to the work cycle being different from the payroll period.

Currently Etime Payroll does not have a specific Pay Code for the scheduled shift hours worked for hour 41 and 42 to pay an employee the additional half hour over their straight pay. The only way to calculate this is to review the employee's work hours each week and determine the number of total hours that they worked over the 40 hour minimum. (This would include any additional time worked, additional shifts worked and the employee's regular scheduled shift hours.)

REMEMBER THE HOURS OF WORK CAPTURED MUST BE FROM TUESDAY 1700 TO TUESDAY 1659 HOURS FOR EACH CALENDAR WEEK.

Calculating Overtime Under FLSA

To calculate an employee's overtime under FLSA please follow the following steps:

- Step 1: Determine total number of hours employee worked weekly.
- Step 2: If the employee worked in excess of 40 hours in a given work week, at that point then subtract 2 hours (for hour 41 and 42) from the total number of hours worked.
For Etime payroll calculate 20 minutes each for hours 41 and 42 (total of 40 minutes)
- Step 3: Do this calculation for both Week 1 and Week 2 of the given payroll period and then add the hours up for both weeks for hour 41 - 42.
- Step 4: Add the remainder of hours that is in excess of 42 hours worked in a normal scheduled work week to come up with the total hours to enter into Etime payroll system.

*Please note that any additional shifts or call backs worked or hours worked when members are held over beyond their regular work day will not be calculated into the FLSA overtime and not charged as per this procedure, but will still be recorded in Etime Payroll as overtime worked.

Making Entries Into Etime

- Step 1: Enter a separate line at the end of the pay period.
- Step 2: Enter a Pay Code of "Fire FLSA OT @ 1.5" with the total hours recorded in the Amount Column and the following account code as above in the Transfer column.
(1001-000000-3190-308780-601065) (This entry is the number of hours which is like entering Over Time hours. Etime will calculate the dollar amount to be paid.)
This is a total of hours calculated above for FLSA. For example, if the regular worked hours were 48 for each week of a given payroll period, the total FLSA OT in this entry would be 13 hours and 20 minutes. (This is 6 hours and 40 minutes per week for the 8 hours over 40 hours). Hours 41 and 42 at half time, converted to 20 minute increments for a total of 40 minutes and then multiplied times the 1.5 overtime rate; and hours 43 to 48 at 1.5 overtime rate.

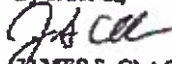

(continued)

July 21, 2009

Making Entries into Etime (continued)

Again if the employee works any additional shifts in a given payroll period, their time is considered as time worked and should be recorded in Etime Payroll as a Pay Code of "Overtime @ 1.5" with the appropriate hours worked recorded in the entry on the date line.

Please Note: If there are any problems or concerns when applying this to the payroll or after the payroll is submitted and/or paid please report it through email via Etime Payroll to "BCFD.Etime" to record the concern and BCFD Payroll/HR Office.

By order of,

JAMES S. CLACK
Chief of Fire Department
